ADMINISTRATIVE OVERVIEW

I. Background

This Request for Proposals ("RFP") is issued by the Hawaii Employer-Union Health Benefits Trust Fund ("EUTF"), an agency of the State of Hawaii ("State"). The EUTF was established by Act 88, 2001 Session Laws of Hawaii. Act 88 is partially codified as Chapter 87A, Hawaii Revised Statutes ("HRS") (see Appendix A, Hawaii Revised Statutes, Chapter 87A). Under HRS Chapter 87A, the EUTF is authorized to design, provide, and administer health and other benefit plans for State and county employees, retirees, and their dependents (aka "employee-beneficiaries and dependent-beneficiaries). The benefit plans include medical, prescription drug, vision, dental, and life insurance. The EUTF currently provides benefit plans to approximately 180,000 employee-beneficiaries and dependent-beneficiaries. The EUTF's plan and fiscal year is July 1 through June 30.

The EUTF is administered by a board of ten trustees ("Board") who are appointed by the Governor. Five trustees represent the employee-beneficiaries, one of whom represents retirees. These five trustees are selected by the Governor from a list of candidates provided by the exclusive employee representative organizations. The remaining five trustees, also appointed by the Governor, represent the public employers. The Board's responsibilities include, among other things, determining the nature and scope of benefit plans, entering into contracts to provide such plans, administering the trust fund used to provide such plans and to pay for EUTF administrative expenses, and overseeing all EUTF activities. In several of these activities, the Board is assisted by a benefits plan consultant ("Consultant"). The Board adopted rules to implement the administration and purposes of the EUTF (see Appendix B, EUTF Administrative Rules)

The EUTF's day-to-day operations are administered by an administrator appointed by the Board ("Administrator"). The Administrator is assisted in managing the EUTF by an assistant administrator, a financial management officer, and an information systems analyst. EUTF staff has a total of 24 permanent and 4 temporary employees (including management staff and the Administrator). The EUTF is organized under three branches; Financial Services Branch, Information Systems Branch, and Member Services Branch. A health benefits program manager oversees the Member Services Branch and is supported by employees assigned to customer service duties to answer phones and e-mails from members and to handle all processing for retirees and process all active employee enrollment submissions. The financial management officer oversees the Financial Services Branch and is supported by accountants and account clerks who reconcile employee accounts, collect employer/employee contribution for health benefits and process all payments. The EUTF information system analyst is supported by one IT specialist and provides internal IT support services, HIPAA security responsibilities, and coordinates additional support services provided by Department of Accounting and General Services / Information and Communication Services Division.

The EUTF Board of Trustees wishes to conduct an audit of all dependents enrolled in EUTF active and retiree benefit plans to ensure that all such enrollments conform with

Chapter 87A HRS and with the EUTF Administrative Rules. A comprehensive dependent eligibility audit will enable the Board to focus resources only on those persons who meet eligibility requirements and to provide for fair and equitable application of EUTF eligibility rules for all participants.

The EUTF FY 2007-2008 Annual Report is included as Appendix C of this RFP. EUTF Annual Reports are available on-line at www.hawaii.gov/budget/LegReports/.

The most recent audited financial statements of the EUTF are attached in Appendix D.

II. Purpose

The EUTF is soliciting proposals from qualified firms to perform an audit of all dependents of active employees and retirees enrolled in one or more of the EUTF benefit plans. The EUTF will stop coverage of ineligible dependents identified by the audit. A more detailed description of these services is set forth in Paragraph V of the Scope of Work section. When responding to this RFP, we encourage you to describe the ways in which you believe your organization's service capability is unique or would add particular value. Please be succinct in your answers and, if certain services cannot be provided, please so state where appropriate.

III. Authority

This RFP is issued under the provisions of Chapters 87A and 103D, HRS, and the Hawaii Administrative Rules ("HAR") that implement those statutes. All prospective offerors are charged with presumptive knowledge of all requirements of the cited authorities. Chapter 103D, HRS, and the HAR implementing that Chapter are available on the State of Hawaii website at www.spo.hawaii.gov. Submission of a proposal by any prospective offeror shall constitute a representation of such knowledge on the part of such prospective offeror.

IV. Procurement Officer and Contract Administrator

This RFP is issued by the EUTF. The individual listed below is the Procurement Officer and Contract Administrator for this procurement.

VI. Letter of Intent

Persons interested in submitting a proposal in response to this RFP should submit a non-binding letter of intent (see Appendix E, Letter of Intent to the EUTF). Failure to submit a letter of intent does not preclude an offeror from submitting a proposal in response to this RFP. However, answers to written questions, modifications, amendments, addenda, and clarifications to the RFP, and other official communications relating to the RFP will be sent only to persons and entities that have submitted a letter of intent.

VII. Communications with the EUTF; Questions

An exception to this rule applies to firms who currently do business with the EUTF; provided that any contact made by any such firm should be related to that business, and should not relate to this RFP.

If additional information is required regarding this RFP, requests for such information must be submitted in writing (fax and email are acceptable) to the Procurement Officer. The Procurement Officer, listed in Paragraph IV of this section, is the sole point of contact from the date of release of this RFP until the selection of the offeror or offerors to whom a contract will be awarded.

Questions submitted by **4:00 p.m. (Hawaii Standard Time) June 1, 2009** will receive a response from the EUTF. Questions submitted after the deadline may receive a response at the discretion of the EUTF. A written response to any questions will be provided by the EUTF via the addendum process described in Paragraph XIII of this section.

VIII. Submission of Proposals

Offerors must carefully examine this RFP, all amendments via the addendum process (if any), all required contract forms, and other documents, laws and rules, as necessary, before submitting a proposal. The submission of a proposal shall be considered to be a warranty and representation that the offeror has made a careful examination and understands the work and the requirements of this RFP.

Each qualified offeror may submit only one (1) proposal. Alternate proposals will not be accepted.

The proposal should be labeled "Hawaii Employer-Union Health Benefits Trust Fund Eligibility Audit Services RFP 09-001." A master (so marked), twenty (20) copies (one copy must be unbound and ready to photocopy), and one (1) electronic copy (MS Word or Adobe Acrobat format on a 650MB/74 minute format CD) of the response must be received no later than **4:00 p.m. (Hawaii Standard Time) June 16, 2009**. The sealed package should be addressed to the Procurement Officer listed in Paragraph IV of this section.

Hawaii Employer-Union Health Benefits Trust Fund
Eligibility Audit Services Proposal
RFP 09-001
(Name of Offeror)

No faxed or e-mailed proposals will be considered or accepted!

IX. Receipt, Opening and Recording of Proposals

Proposals and modifications will be time-stamped upon receipt and held in a secure place by the Procurement Officer until the established due date.

Proposals may be modified or withdrawn, prior to the deadline for submission of proposals, by the following:

- Modifications - a written notice accompanying the actual modification received by the Procurement Officer; or a written notice accompanying the actual modification by facsimile machine sent to the Procurement Officer, provided that the offeror submits the written notice accompanying the actual modification within two working days of the Procurement Officer's receipt of the facsimile.

- Withdrawal - a written notice received by the Procurement Officer; or a notice by facsimile machine sent to the Procurement Officer.

Proposals will not be opened publicly, but will be opened in the presence of two or more procurement officials. Proposals and modifications will be shown only to personnel having a legitimate interest in them.

After the date established for receipt of proposals, a register of proposals will be prepared which will include the name of each offeror and the number of modifications received, if any. The register of proposals shall be open to public inspection only after a contract has been awarded.

An offeror may withdraw and resubmit a proposal prior to the final submission date. No withdrawals or re-submissions will be allowed after the final submission date.

X. Best and Final Offer

Best and final offers may be requested by the Evaluation Committee. The Evaluation Committee will provide guidance and additional instructions at the time best and final offers are requested. Any best and final offers must be received by the Procurement Officer at the time and date specified in the Procurement Timetable. If best and final offers are not requested by the Evaluation Committee, or if requested, and it is not submitted by an offeror, the offeror's previous submittal will be construed as the offeror's best and final offer. After best and final offers are received, final evaluations will be conducted for an award.

XI. Costs for Proposal Preparation

Expenses for the development and submission of proposals and other responses to the RFP are the sole responsibility of the organization submitting the proposal or other response. Travel and expenses to and from the State of Hawaii are also the sole responsibility of the organization submitting a proposal or otherwise responding to this RFP.

XII. Disqualification of Proposals

The EUTF reserves the right to consider as acceptable only those proposals submitted in accordance with all requirements set forth in this RFP and which demonstrate an understanding of the scope of work. Any proposal offering any other set of terms and conditions, or terms and conditions contradictory to those included in this RFP, may be disqualified without further notice.

An offeror may be disqualified and a proposal rejected for any one or more of the following non-exclusive reasons:

- Proof of collusion among offerors, in which case all proposals and offerors involved in the collusive action will be rejected.
- The offeror's lack of responsibility and cooperation as shown by past work.

- The proposal shows any noncompliance with applicable law.
- The proposal is conditional, incomplete, or irregular in such a way as to make the proposal incomplete, indefinite, or ambiguous as to its meaning.
- The proposal has any provision reserving the right to accept or reject award, or to enter into an agreement pursuant to an award, or provisions contrary to those required in the solicitation.
- The delivery of the proposal after the deadline specified in the timetable.
- The offeror being in arrears on existing contracts with the State or having defaulted on previous contracts.
- The offeror's lack of sufficient experience to perform the work contemplated.
- The offeror's conflicts of interest or lack of independence in judgment.

XIII. RFP Amendments and Addendum

The EUTF may modify any part of the RFP, prior to the date fixed for award of the contract, by issuance of an addendum. The EUTF will respond to questions and inquiries via the addendum process. Addenda will be numbered consecutively.

XIV. Cancellation of Request for Proposals/Rejections of Proposals

This RFP may be cancelled and any or all proposals may be rejected in whole or in part, when it is determined to be in the best interests of the EUTF or for any other reason permitted by Chapter 103D, HRS, and the HAR implementing that Chapter.

XV. Uncertainties Beyond the Control of the EUTF

The EUTF recognizes that circumstances beyond the control of the EUTF may arise that may significantly affect the ability of the contractor to provide the services described in this RFP or as proposed by the contractor. Accordingly, the EUTF reserves the right to modify any contract resulting from this RFP to address such circumstances.

XVI. Proposal Bonds; Performance and/or Payment Bonds

No bid bond is required to be submitted with the proposal, and no performance or payment bond will be required for the contract awarded pursuant to this RFP.

XVII. Contract Period

The term of the contract is one (1) year. The term of the contract will commence on or around August 3, 2009.

The contractor shall not bind or purport to bind the EUTF for any contractual commitment in excess of the contract period. Contractor shall comply with all applicable EUTF policies and procedures.

XVIII. Compensation

Compensation for any contract resulting from this RFP will be on the basis of performance ("performance based compensation"). This performance based

compensation shall be based on a percentage of savings achieved through the eligibility audit. The preference of the EUTF is for all of the offeror's proposed compensation (inclusive of all fees, taxes, costs, expenses, and other charges) for performing all parts of the Scope of Services to be performance based compensation. If the offeror proposes any compensation other than or in addition to a percentage of the savings achieved through the eligibility audit, all such compensation (inclusive of all fees, taxes, costs, expenses, and other charges) shall be specified on the fee proposal form. See Paragraph VIII of the Proposal Section of this RFP. Offerors should note that in no event will the EUTF pay more than \$1,037,000 in compensation under any contract resulting from this RFP.

Savings achieved through the eligibility audit shall be determined by calculating the difference, on an annualized basis, in employer contributions for premiums for an employee-beneficiary after the ineligible dependent(s) is dropped from EUTF coverage compared to the employer contributions for that employee-beneficiary if the ineligible dependent(s) had continued to be enrolled in EUTF coverage. Savings due to recovery (if any) of premiums for ineligible dependents prior to determination that the dependent was ineligible will not be used to determine savings achieved for the purpose of compensation.

The performance based compensation shall be paid on a monthly basis beginning the month after the first month in which ineligible dependents are identified and ending the month after the project (eligibility audit) has been completed. The contractor shall submit to the EUTF a written monthly statement identifying each ineligible dependent, the employer contributions before and after the dependent's coverage was stopped, the monthly and annualized savings for each ineligible dependent, and the total monthly and annualized savings for the ineligible dependents identified for the month reported. Based on each monthly statement, the EUTF will pay the contractor the specified percentage of the annualized savings reported less a retention of 5% of the amount due. The retention will be withheld in accordance with HRS § 103-32.1. After satisfactory completion of the contract, the EUTF will pay the contractor the sum of all the retention withheld, provided that in no event shall the total amount paid to contractor under the contract exceed \$1,037,000.

Any work not covered by the performance based compensation shall be submitted for payment upon completion of all work required under the contract. The contractor shall submit to EUTF a written statement upon completion of the work for all work not covered by the performance based compensation. Payment for all work not covered by the performance based compensation is also subject to the \$1,037,000 limit on the total amount to be paid under the contract.

All statements shall itemize and describe the work performed by the contractor in sufficient detail to justify payment. Upon request, the contractor shall provide the EUTF with documentation to verify the claim for payment contained in any statement. The EUTF shall process each statement in accordance with applicable law and the standard operating procedures of the EUTF.

Payments to the contractor shall be per HRS § 103-10, Hawaii Revised Statutes. If an offeror desires any additional terms or provisions regarding the method of payment, they must be set forth in the offeror's proposal.

All payments to the contractor under any contract resulting from this RFP shall be subject to the availability of funding. See paragraph 17 of the General Conditions (attached as part of Appendix F).

XIX. Liaison and Authorization to Proceed

The EUTF Administrator will serve as the primary liaison with the contractor during the term of the contract. The Administrator will chair status meetings, assist in scheduling, and monitor and assess the contractor's performance.

The Primary Consultant will serve as the contractor's primary liaison with the EUTF during the term of the contract.

The EUTF does not encourage, and will not in any way be bound by, work performed on behalf of the EUTF without approval by the EUTF. Any work performed by the contractor prior to approval by the EUTF to proceed is done at the contractor's own risk.

XX.Errors and Omissions/Professional Liability Insurance

The contractor shall maintain in full force and effect during the term of the contract, errors and omissions and/or professional liability insurance to cover losses or damages that the EUTF, the EUTF trust fund and/or the EUTF trustees or officers may suffer: (a) arising out of the contractor's performance of the contract; (b) arising out of the contractor's provision of eligibility audit services for the EUTF; and/or (c) as a result of any acts or omissions of the contractor or the contractor's officers, employees, subcontractors, agents or other representatives in connection with the contract. The contractor's insurance shall have limits and other terms and conditions as shall be agreed upon between the EUTF and the contractor. The contractor's insurance shall add the EUTF and its trustees, officers and employees as additional insureds with respect to the services or operations that contractor performs for the EUTF. Any insurance maintained by the EUTF or State of Hawaii shall be in excess of, and not contribute with, the contractor's insurance. The contractor's insurance shall not be canceled, limited in scope, or non-renewed until after 30 days written notice to the EUTF. The contractor or its insurance carrier shall provide the EUTF with certificates of insurance or other evidence that the required insurance coverage is in effect and maintained during the term of the contract. The procuring of the required insurance hereunder shall not limit the contractor's liability to the EUTF nor shall it fulfill the indemnification provisions and requirements of the contract.

XXI. Acceptance of Proposal and Execution of Contract

Acceptance of a proposal, if any, will be made as provided in the Procurement Timetable. The offeror must have the ability to perform as called for in the RFP and in the contract. The EUTF shall be the sole judge of capability. The successful offeror will be notified by letter that its proposal has been accepted and that the offeror is being awarded the contract.

The EUTF reserves the right to award a contract based upon the written responses

received and without prior discussion or negotiations.

Appendix F is the contract form that will be used by the EUTF for any contract resulting from this RFP. In submitting a proposal, the offeror will be deemed to have agreed to each provision set forth in Appendix F (including the General Conditions) unless the offeror specifically identifies the provision to which objection is made and submits alternative language. The EUTF reserves the right to further negotiate the terms and conditions of the contract with the successful offeror; provided, however, that the EUTF shall have no obligation to accept terms and conditions that vary from those set forth in Appendix F. In addition to the terms and conditions in Appendix F, the contract awarded pursuant to this RFP shall consist of the RFP and any amendments thereto, and any additional specific terms and conditions of the contract negotiated between the EUTF and the successful offeror.

The EUTF shall forward a contract to the successful offeror for execution. The contract shall be signed by the successful offeror and returned within ten days after receipt by the offeror or within such further time as may be allowed by the EUTF.

No contract shall be considered binding upon the EUTF until the contract has been fully and properly executed by all parties thereto.

If the offeror to whom a contract is awarded shall fail or neglect to enter into the contract within ten days after award or within such further time as may be allowed, the Procurement Officer will consider the next highest ranked offeror or may call for new proposals, if it is deemed to be in the best interests of the EUTF.

XXII. Requirements for Doing Business in the State of Hawaii

Section 3-122-112, Hawaii Administrative Rules ("HAR"), requires that, before award of contract may be made, the successful offeror must provide proof of compliance with the requirements of the following chapters of the Hawaii Revised Statutes ("HRS"):

- 1) Chapter 237, general excise taxes
- 2) Chapter 383, unemployment insurance
- 3) Chapter 386, workers' compensation
- 4) Chapter 392, temporary disability insurance
- 5) Chapter 393, prepaid health care

And one of the following:

- 1) Be registered and incorporated or organized under the laws of the State of Hawaii, or
- 2) Be registered to do business in the State of Hawaii.

Reference Responsibility of Offerors in §3-122-112, HAR. Offeror shall produce documents to the Procurement Officer to demonstrate compliance with this section.

HRS Chapter 237 tax clearance requirement for award and final payment.

Pursuant to §103D-328, HRS, the successful offeror shall be required to submit a tax

clearance certificate issued by the Hawaii State Department of Taxation (DOTAX) and the Internal Revenue Service (IRS). The certificate is valid for six (6) months from the most recent approval stamp date on the certificate and must be valid on the date it is received by the purchasing agency. The tax clearance certificate shall be obtained on the State of Hawaii, DOTAX TAX CLEARANCE APPLICATION Form A-6 (Rev.2003) which is available at the DOTAX and IRS offices in the State of Hawaii or the DOTAX website, and by mail or fax:

DOTAX Website (Forms & Information): <http://www.state.hi.us/tax/alphalist.html>

DOTAX Forms by Fax/Mail: (808) 587-7572
1-800-222-7572

Completed tax clearance applications may be mailed, faxed, or submitted in person to the Department of Taxation, Taxpayer Services Branch, to the address listed on the application. Facsimile numbers are:

DOTAX: (808) 587-1488
IRS: (808) 539-1573

The application for the clearance is the responsibility of the offeror, and must be submitted directly to the DOTAX or IRS and not to the purchasing agency.

Contractor is required to submit a tax clearance certificate for final payment on the contract. A tax clearance certificate, not over two months old, with an original green certified copy stamp, must accompany the invoice for final payment on the contract.

In addition to a tax clearance certificate an original "Certification of Compliance for Final Payment" (SPO Form 22), attached, will be required for final payment. A copy of the Form is also available at www.spo.hawaii.gov.

HRS Chapters 383 (Unemployment Insurance), 386 (Workers' Compensation), 392 (Temporary Disability Insurance), and 393 (Prepaid Health Care) requirements for award.

Pursuant to §103D-310(c), HRS, the successful offeror shall be required to submit an approved certificate of compliance issued by the Hawaii State Department of Labor and Industrial Relations (DLIR). The certificate is valid for six (6) months from the date of the issue and must be valid on the date it is received by the purchasing agency.

The application for certificate of compliance (Form LIR #27) can be obtained from the DLIR website:

<http://www.dlir.state.hi.us/forms/ApplicationforCertificateofCompliance.pdf>

or from:

DLIR Administrative Services Office
830 Punchbowl Street, Room 309
Honolulu, HI 96813
Phone: (808) 586-8888
Fax: (808) 586-8899

The DLIR will return the form to the offeror who in turn shall submit it to the purchasing agency. The application for the Certificate is the responsibility of the offeror, and must be submitted directly to the DLIR and not to the purchasing agency.

Business registration.

Hawaii business. A business entity referred to as a “Hawaii business” is registered and incorporated or organized under the laws of the State of Hawaii. As evidence of compliance, offeror shall submit a CERTIFICATE OF GOOD STANDING issued by the Department of Commerce and Consumer Affairs Business Registration Division (“BREG”). A Hawaii business that is a sole proprietorship, however, is not required to register with the BREG, and therefore not required to submit the certificate. An offeror’s status as sole proprietor or other business entity and its business street address indicated on Proposal Letter will be used to confirm that the offeror is a Hawaii business.

Compliant non-Hawaii business. A business entity referred to as a “compliant non-Hawaii business” is not incorporated or organized under the laws of the State of Hawaii but is registered to do business in the State. As evidence of compliance, offeror shall submit a CERTIFICATE OF GOOD STANDING.

To obtain a CERTIFICATE OF GOOD STANDING go online to www.businessregistrations.com and follow the instructions. To register or to obtain a “Certificate of Good Standing” by phone, call (808) 586-2727 (M-F 7:45 am to 4:30 pm-HST). The “Certificate of Good Standing” is valid for six (6) months from date of issue and offerors are advised that there are costs associated with registering and obtaining a “Certificate of Good Standing” from the BREG.

The above certificates should be applied for and submitted to the purchasing agency as soon as possible. If a valid certificate is not submitted on a timely basis for award of the contract, an offeror otherwise responsive and responsible may not receive the award.

Alternately, instead of separately applying for these certificates at the various state agencies, vendors may choose to use the Hawaii Compliance Express (HCE), which allows businesses to register online through a simple wizard interface at <http://vendors.ehawaii.gov> to acquire a “Certificate of Vendor Compliance.” The HCE provides current compliance status as of the issuance date. The “Certificate of Vendor Compliance” indicating that vendor’s status is compliant with the requirements of Chapter 103D-310(c), HRS, shall be accepted for both contracting and final payment purposes. Vendors that elect to use the new HCE services will be required to pay an annual fee of \$15.00 to the Hawaii Information Consortium, LLC (HIC). Vendors choosing not to participate in the HCE Program are required to submit the paper certificates as instructed in previous paragraphs

The adjusted base composite monthly contribution for each new plan year shall be calculated by increasing or decreasing the base composite monthly contribution in effect through the end of the previous plan year by the percentage increase or decrease in the medicare part B premium rate for those years. The percentage shall be calculated by dividing the medicare part B premium rate in effect at the beginning of the new plan year by the rate in effect through the end of the previous plan year.

As used in this subsection, "medicare part B premium rate" means the rate published in the Federal Register each year on November 1 or on the business day closest to

Nothing in this section shall prohibit any employee-beneficiary from participating in a cafeteria plan authorized under Title 26 United States Code section 125, Internal Revenue Code of 1986, as amended, and part II of chapter 78.

(b) During the period the health benefits plan selected by an employee-beneficiary is in effect, the employee-beneficiary, if allowed by law, shall authorize the employee-beneficiary's contribution to be withheld and transmitted to the fund monthly by the comptroller, employees' retirement system, or finance officer who disburses the employee-beneficiary's compensation, pension, or retirement pay. If an employee-beneficiary's

contribution to the fund is not withheld and transmitted to the fund, the employee-beneficiary shall pay the monthly contribution:

(c) Notwithstanding subsection (a), an employee-beneficiary's monthly contribution to the fund shall include the amount that would have been the employee-beneficiary's contribution if the employee-beneficiary had not elected to participate in the cafeteria plan. [L 2001, c 88, pt of \$1]

Note

Part II of chapter 78 referred to in text is repealed.

All requests for inspection of public records shall be in writing and addressed to the administrator or any other person designated by the board to receive such requests. The board shall establish such costs and fees in accordance with applicable federal and state law.

Protected health information about employee-beneficiaries and dependent-beneficiaries are not public records. Employee-beneficiaries, dependent-beneficiaries, and others may have access to such information only in conformance with the Health Insurance Portability and Accountability Act of 1996 and the rules passed under that Act ("HIPAA"), and the Fund's HIPAA Privacy Policies and Procedures.

1.04 Computation of Time

Whenever a period of time is stated in these rules as a number of days from or after an event: (a) the period shall be computed in calendar days; (b) the day of the event shall not be included in the calculation; and (c) the last day of the period shall be included in the calculation.

1.05 Officers of the Board

- (a) The board shall elect a chairperson, vice-chairperson, and secretary-treasurer.
- (b) Both the chairperson and vice-chairperson shall be elected from the same trustee group. The secretary-treasurer shall be elected from the other trustee group.
- (c) Officer terms shall be for one year beginning July 1, 2002, and shall rotate between the trustee groups annually. The terms of all elected officers shall terminate on June 30 of each succeeding year and such officers shall vacate their offices at that time.

- (d) Except as otherwise provided by law or by rules or policies adopted by the board, the duties of the officers shall be as provided in the 10th Edition of *Robert's Rules of Order, Newly Revised*.
- (e) The chairperson or vice-chairperson and secretary-treasurer shall coordinate assignments to the administrator and other Fund staff, requests for information, and other matters concerning the administration and operation of the board.

1.06 Committees of the Board

- (a) Standing committees shall be established by the board to address critical issues in the major functional areas of the Fund:
 - (1) The Administrative Committee will have combined administrative and finance committee functions;
 - (2) The Benefits Committee will have benefits, communication, and appeals committee functions.
- (b) The board may establish other committees to address matters related to the operation or administration of the Fund or to investigate issues that impact the Fund.
- (c) Committees shall operate informally and shall make recommendations to the full board. Meetings of all standing committees will comply with Part I of Chapter 92 of the Hawaii Revised Statutes.
- (d) A minimum of four trustees (two trustees from each trustee group) shall be assigned to a committee. The assigned number of trustees may be larger for certain committees provided that an equal number of trustees are assigned from each trustee group.
- (e) Attendance of at least one trustee from each trustee group shall be necessary to convene a committee meeting.
- (f) Committees may select a chairperson and any other officers as deemed necessary by the board.
- (g) Committee chairpersons shall coordinate assignments to the administrator and other Fund staff for their respective committees.

- (h) Trustees in attendance shall agree within their working committees on recommendations made to the full board. When there is no agreement by the trustees in attendance, the committee shall present a summary of the disagreement(s) to the full board.

1.07 Meetings of the Board

- (a) To the extent permitted by applicable federal or state law, the meetings of the board shall be open to the public. Without limiting the foregoing, board meetings shall comply with Part I of Chapter 92 of the Hawaii Revised Statutes, including the provisions therein requiring: (1) written and electronic notice of board meetings at least six calendar days prior to each meeting; and (2) written minutes.
- (b) The board shall designate the administrator or some other member of the Fund's staff to be responsible for preparing agendas for future board meetings. Any trustee may place a question or subject on the agenda of a future board meeting by notifying the administrator or other designated staff person by 12:00 noon, seven days prior to the board meeting. All board meeting agendas shall be transmitted to the chairperson for review prior to public notice.
- (c) Unless otherwise required by the board or applicable law, the parliamentary procedure to be used by the board in the conduct of its meetings shall be in accordance with the 10th Edition of *Roberts Rules of Order, Newly Revised*.
- (d) Voting procedures for board meetings and the criteria for a quorum are established in Section 87A-11 of the Hawaii Revised Statutes. In addition, the following voting procedures shall apply:
 - (1) After a motion is made and seconded, the presiding officer shall read the motion and open the question to discussion and debate by the trustees. When ready to put the motion to a vote, the presiding officer shall call for the public employer and employee-beneficiary trustee votes to determine whether there are three votes from each trustee group in favor of the motion. If so, the motion shall be recorded as having been approved by one vote from the public employer trustees and one vote from the employee-beneficiary trustees.

- (2) For routine or procedural matters, the presiding officer may ask if there is any opposition to a motion after it has been made, and to the extent required, seconded and debated. If no opposition is voiced, the motion shall be recorded as having been unanimously approved by one vote by the public employer trustees and one vote from the employee-beneficiary trustees.
- (3) If the voting is not unanimous by each side, the names of the trustees who voted in favor of the motion, voted against the motion, or abstained from voting shall be recorded in the minutes.
- (4) In the event of a deadlock in a vote of the board on the same question or resolution at two successive meetings of the board, the board shall vote on whether or not to engage in dispute resolution. If six trustees of the board vote to engage in dispute resolution, the two trustee groups shall enter into mediation to attempt to resolve the question or resolution upon which the board has deadlocked.

The mediation shall be handled by a mediator appointed by the Federal Mediation and Conciliation Service. If the Federal Mediation and Conciliation Service fails or refuses to appoint a mediator within ten days of the date on which the six trustees voted to engage in dispute resolution, the mediation shall be handled by a mediator mutually agreeable to the two trustee groups. If the two trustee groups do not agree on a mediator within twenty days of the date on which the six trustees voted to engage in dispute resolution, either trustee group may petition the Administrative Judge of the First Circuit, Circuit Courts of the State of Hawaii, to appoint a mediator. Upon the appointment of a mediator, the two trustee groups shall in good faith enter into mediation on the question or resolution upon which the board has deadlocked. Nothing in this rule is meant to preclude the board from voting to engage in other forms of alternate dispute resolution to resolve a question or resolution upon which it has deadlocked.

- (5) Whenever any statute or other law requires a vote of a majority, two-thirds or other percentage or fraction of the trustees or members to which the board is entitled, the motion or other action shall be approved if it receives two votes in favor of the motion or

action as provided in subsection (d)(1), regardless of the total number of votes in favor of the motion or action.

For example, if a statute or other law requires a two-thirds vote of the members to which the board is entitled, the motion or other action will be approved if three trustees from each trustee group vote in favor of the motion or other action, even if the remaining four trustees vote against the motion or other action.

1.08 Appearances Before the Board

- (a) All persons shall comply with this rule when appearing before the board. Unless otherwise required by applicable federal or state law, the board shall have the discretion to prescribe additional standards and procedures for all appearances and proceedings before the board. The board may waive or suspend the provisions of this rule with respect to any particular appearance or proceeding before it.
- (b) Any person appearing before the board may appear in person, by an officer, partner or regular employee of the party, or be represented by an authorized representative. The board may at any time require any person transacting business with the board in a representative capacity to prove or authenticate the person's authority and qualification to act in such capacity.
- (c) The board shall afford all interested persons an opportunity to present oral testimony or submit data, views, or arguments, in writing, on any agenda item.
 - (1) Persons providing written testimony shall provide thirty copies of their testimony of which twenty copies shall be made available to the public. Twenty copies of materials provided to the board for or during a meeting that are determined to be disclosable shall be made available for distribution to the public.
 - (2) The board shall hear oral testimony on an agenda item after it has completed discussion of that item. At that time, the presiding officer shall invite members of the public to ask questions or provide comments on the agenda item prior to any action by the board. After the public has had an opportunity to provide input on

the agenda item, the board may discuss the agenda item further and act on the item or move on to the next agenda item.

- (3) A person may speak at a board meeting only when recognized to do so by the presiding officer. Comments are limited to three minutes per speaker. Time limitations may be adjusted at the discretion of the presiding officer or at the request of any three trustees. A person may not speak a second time on the same question unless authorized by the presiding officer to do so.
 - (4) The board may refuse to hear any testimony that is irrelevant, immaterial, or unduly repetitious and may from time to time impose additional conditions as are necessary or desirable for the orderly, efficient, and convenient presentation of oral testimony to the board. The board may request that the person providing oral testimony submit the testimony in writing to the board.
- (d) Nothing herein shall require the board to hear or receive any oral testimony or documentary evidence from a person on any matter which is the subject of another proceeding pending before the board.

1.09 Delegation of Authority

To the extent permitted by law, the board may delegate authority to act on its behalf in accordance with board policies and standards to a committee of the board, an administrator, a carrier, a third party administrator, or to such other persons and entities as it deems necessary or reasonable for the effective and efficient administration of the Fund and the provisions of Chapter 87A of the Hawaii Revised Statutes; provided, however, that nothing in this rule shall permit the board to delegate its power to adopt, amend or repeal any rules.

1.10 State Ethics Code

All trustees and employees of the Fund shall comply with Chapter 84 of the Hawaii Revised Statutes.

1.11 Controlling Law

To the extent that federal or state law governs any matter covered by these rules, the Fund and the board shall comply with and follow such federal or state law. To the extent that any matter is not completely governed by federal or state

law, the Fund and the board shall apply these rules to the extent reasonable and practicable.

1.12 Authority of the Board to Waive Rule Provisions

Subject to statutory requirements and limitations, the Board may waive an employee-beneficiary's compliance with any provision of the Fund's rules when the Board determines that: (a) good cause exists for such a waiver; (b) strict enforcement of such provision would impose a manifest injustice upon an employee-beneficiary who has substantially complied with the Fund's rules in good faith; and (c) such waiver does not involve any increase in the obligations or liabilities of the Fund beyond that which would have been involved if the employee-beneficiary had fully complied with the Fund's rules. Each waiver by the Board must be in writing and supported by documentation of the pertinent facts and grounds.

1.13 Responsibilities of Employee-Beneficiaries and Public Employers; Enforcement Actions of the Fund

- (a) Employee-beneficiaries are responsible for:
 - (1) Providing current and accurate personal information as per Rules 4.06 and 4.07;

- (c) The Fund shall have the right and authority to file actions in any court, including but not limited to the courts of the State of Hawaii and the United States of America, to enforce the foregoing obligations and to collect premium contributions. Nothing in this rule is intended to limit or restrict the rights or remedies otherwise available to the Fund.

- (d) If the board decides to proceed with any proposed rule change, whether by a trustee or interested person or organization, it shall consult with public employers and affected employee organizations with regard to the proposed rule change as follows. First, it shall transmit the proposed rule change to the public employers, exclusive employee organizations, exclusive representatives, retiree organizations, and all other employee organizations registered with the board for consultation prior to adoption. Second, it shall provide the employers, representatives and organizations a

reasonable amount of time for review and comment on the proposed change prior to final action by the board.

- (e) After the consultation provided for in subsection (d), the proposed rule change shall be considered for adoption at an open meeting of the board that permits the attendance of interested persons.
- (f) All proposed rule changes shall be adopted by the board in accordance with the provisions of section 87A- 26 of the Hawaii Revised Statutes.
- (g) New rules, amendments or repeals of rules that are adopted by the board shall be submitted to the governor for approval and filed with the lieutenant governor's office.
- (h) Unless some other date is expressly selected by the board, a new rule, amendment of a rule, or repeal of a rule shall be effective the first day after the rule, amendment, or repeal is filed with the lieutenant governor's office.

2.02 Policies, Standards, and Procedures

Policies, standards and procedures to be adopted amended or repealed may, at the discretion of the board, be transmitted to public employers and affected employee organizations for consultation purposes. Nothing herein shall require the board to consult with public employers or affected employee organizations concerning the board's adoption, amendment or repeal of policies, standards and procedures or to transmit any such policies, standards or procedures to public employers or affected employee organizations for consultation purposes.

- (a) Any interested person may petition the board for a declaratory ruling as to the applicability of any statutory provision administered by the board or of any rule or order of the Fund.
- (b) Every petition shall be in writing and shall be submitted in duplicate to the board. The petition need not be in any particular form but shall contain the following:
 - (1) The petitioner's name, address, and telephone number;
 - (2) A designation of the specific statute, rule or order in question;

- (3) A statement of the nature of the petitioner's interest, including the reasons for the submittal of the petition;

- (c) Petitions to intervene and become a party to a declaratory ruling proceeding may be submitted in writing to the board. Such petitions shall contain the same information as required under subsection (b) and the grounds and reasons on which intervention is sought. The Board may deny intervention where the petition to intervene raises issues not reasonably pertinent to the issues already presented or the petition raises issues that would broaden the issues to be decided. If intervention is granted, the petitioner shall become a party to the proceeding to the degree permitted by the order granting intervention.
- (d) The board may dismiss any petition for a declaratory ruling for good cause. Without limiting the generality of good cause, the board may dismiss a petition if:
 - (1) The question raised is purely speculative or hypothetical;
 - (2) The petitioner's interest is not of the type or nature that would give the petitioner standing to maintain an action if the petitioner were to seek judicial relief;
 - (3) The issuance of a declaratory ruling may adversely affect the interests of the employer, the board, any of the trustees, the Fund, or any of the Fund's officers or employees in litigation which is pending or reasonably expected to arise in the future; or
 - (4) The matter is not within the jurisdiction of the board.
- (e) Subject to applicable federal and state law, the board at its discretion shall:

entity duly designated by the board. After considering the recommendation of the administrator, committee or designated person or entity, the board shall render its decision on the petition.

Where any question of law is involved, the board may seek the assistance of the state attorney general in reviewing the matter. The board may also seek the assistance of other government agencies when necessary or desirable.

Any petitioner who desires a hearing shall submit a written request for a hearing together with the petition for a declaratory ruling. The written request shall set forth in detail the reasons why the matters alleged in the petition, together with supporting affidavits or other written evidence and briefs or memoranda of legal authorities, will not permit the fair and expeditious disposition of the petition and, to the extent that the request for a hearing is dependent upon factual assertions, shall submit affidavits or certificates establishing those facts.

- (f) The petition for a declaratory ruling shall either be rejected in accordance with subsection (d) or acted upon by issuance of an order within ninety days. Upon the disposition of the petition, the board shall promptly notify the petitioner.
- (g) Orders disposing of petitions for a declaratory ruling will have the same status as other agency orders. An order shall be applicable only to the fact situation alleged in the petition or as set forth in the order. 2.04 Administrative Appeals

- (a) A person aggrieved by one of the following decisions by the Fund may appeal to the board for relief from that decision:
 - (1) A determination that the person is not an employee-beneficiary, dependent-beneficiary or qualified beneficiary, or that the person is not eligible to enroll in or be covered by a benefit plan offered or sponsored by the Fund;

- (2) A determination that the person cannot make a change in enrollment, a change in coverage, or a change in plans;
 - (3) A cancellation or termination of the person's enrollment in or coverage by a benefit plan, including long term care, offered or sponsored by the Fund; or
 - (4) A refusal to reinstate the person's enrollment in or coverage by a benefit plan, including long term care, offered or sponsored by the Fund.
- (b) The first step in the appeal process is an appeal to the administrator. In order to appeal to the administrator for relief, an aggrieved person must file a written appeal in the Fund's office within thirty days of the date of the decision with respect to which relief is requested. The written appeal shall be filed in duplicate. Unless otherwise provided by applicable federal or state law, neither the administrator nor the board shall be required to hear any appeal that is filed after the thirty-day period has expired. The written appeal need not be in any particular form but should contain the following information:
 - (1) The aggrieved person's name, address, and telephone number;
 - (2) A description of the decision with respect to which relief is requested, including the date of the decision;
 - (3) A statement of the relevant and material facts; and
 - (4) A statement as to why the aggrieved person is appealing the decision, including the reasons that support the aggrieved person's position or contentions.
- (c) If the aggrieved person is dissatisfied with the administrator's action or if no action is taken by the administrator on the aggrieved person's written appeal within ninety days of its being filed in the Fund's office, the second step in the appeal process is for the aggrieved person to file a written appeal to the board. A written appeal to the board must be filed in duplicate in the Fund's office. The written appeal need not be in any particular form but shall contain the following information:
 - (1) The aggrieved person's name, address and telephone number;
 - (2) A statement of the nature of the aggrieved person's interest, e.g., employee-beneficiary or dependent-beneficiary;

- (3) A description of the decision with respect to which relief is requested, including, the date of the decision;
- (4) A complete statement of the relevant and material facts;
- (5) A statement of why the aggrieved person is appealing the decision, including a complete statement of the position or contentions of the aggrieved party; and
- (6) A full discussion of the reasons, including any legal authorities, in support of the aggrieved party's position or contentions.

Subject to applicable federal and state law, the board may reject any appeal that does not contain the foregoing information.

- (d) The board at any time may request the aggrieved person or any other party to the proceeding to submit a statement of additional facts or a memorandum, the purpose of which is to clarify the party's position or a specific factual or legal issue.
- (e) The board shall grant or deny the appeal within a reasonable amount of time. The board shall not be required to hold a hearing on any appeal unless otherwise required by applicable federal or state law. If required to hold a hearing, or if it decides to voluntarily hold a hearing on an appeal, subject to applicable federal or state law, the board may set such hearing before the board, a special, or standing committee of the board, a hearings officer, or any other person or entity authorized by the board to hear the matter in question. Nothing in these rules shall require the board to hear or decide any matter that can be lawfully delegated to another person or entity for a hearing and decision.
- (f) At any time, an aggrieved person may voluntarily waive his or her rights to the administrative appeal provided by the Rule by submitting such a waiver in writing to the Fund's office. The board may require the aggrieved person to make such a waiver by signing a form prescribed by it.

2.05 Emergency Appeals

- (a) An employee-beneficiary ("appellant") who is aggrieved by a plan administrator's decision denying or limiting benefits provided under a plan offered by the Fund to the employee-beneficiary or a dependent-beneficiary enrolled by the employee beneficiary may make an emergency

appeal directly to the Board where a delay in following the Fund's normal appeal process could:

- (1) Seriously jeopardize the life or health of the employee-beneficiary or dependent-beneficiary;
 - (2) Seriously jeopardize the employee-beneficiary's or dependent-beneficiary's ability to regain maximum functioning; or
 - (3) In the opinion of a physician with knowledge of the medical condition of the employee-beneficiary or dependent-beneficiary, subject the employee-beneficiary or dependent-beneficiary to severe pain that cannot be adequately managed without the care or treatment that is the subject of the appeal.
- (b) Any appellant desiring to make an emergency appeal under this Rule shall file a written request with the Fund administrator that contains the following information:
- (1) The name, address, and telephone number of the appellant;
 - (2) A description of the decision with respect to which relief is requested;
 - (3) A statement of the relevant and material facts;
 - (4) A statement as to why the appellant is appealing the decision, including all arguments and reasons that support the appellant's position or contentions;
 - (5) A statement as to why the appellant's appeal qualifies as an emergency appeal, i.e., why the appeal meets one or more of the conditions stated in subsection (a) above;
 - (6) A statement as to exactly what relief the appellant is seeking;
 - (7) Any documents and records that support the appellant's appeal, including, but not limited to, any opinions from physicians that show that the appeal should be handled as an emergency appeal; and
 - (8) If the appellant is going to be represented by a third person on the appeal: (i) a signed authorization by the appellant designating the third person to represent him or her on the appeal; or (ii) other documentation establishing the right of the third person to represent the appellant. Such documentation may include letters of guardianship, a power of attorney, or any other document establishing that the third person may represent the appellant. Appropriate representatives may include, but are not limited to, the parent, child, spouse or domestic partner of the appellant.

Notwithstanding the foregoing, the Fund administrator may waive the foregoing requirements if the Fund administrator finds that the criteria for making an emergency appeal are present and circumstances prevent the appellant from filing a written request for an appeal.

- (c) Within two business days of receipt of a request for emergency appeal, the Fund administrator shall determine whether the request for emergency appeal qualifies as an emergency appeal under the criteria stated in this Rule. If the Fund administrator determines that the request for emergency appeal does not qualify as an emergency appeal, the appellant's appeal shall be handled as a normal appeal. Appellant may appeal the Fund administrator's denial of a request for emergency appeal by filing a written request with the Fund Administrator. No particular form is required for such a written request so long as it can be understood that the appellant is seeking to appeal the Fund administrator's decision to the Board.
- (d) Upon determining that an appeal qualifies as an emergency appeal or upon receipt of an appeal of the Fund administrator's denial of a request for emergency appeal, the Fund administrator shall take the following actions:
 - (1) Set a time and date of a hearing when a quorum of the Board can be present. Subject to quorum requirements, the hearing shall be set within five business days of: (i) the date of the Fund administrator's determination that the appeal qualifies as an emergency appeal, or (ii) the date of receipt of an appeal of the Fund administrator's denial of a request for emergency appeal;
 - (2) Notify the appellant and his or her representative, if any, of the time and date of the hearing;
 - (3) Notify the plan administrator of the time and date of the hearing, provide the plan administrator with a copy of the written request for an emergency appeal filed by the appellant, and invite the plan administrator to submit a written statement of the plan administrator's position regarding the emergency appeal. If the plan administrator submits such a written statement, a copy shall be provided by the Fund administrator to the appellant;
 - (4) In the notices to the appellant and plan administrator, the Fund administrator shall request the parties to provide the Fund administrator with copies of any documents, records, written

- testimony, or other written evidence that they wish the Board to consider at the hearing. To facilitate the hearing, the Fund administrator may request that the parties stipulate to the admission of all or any of such documents, records, written testimony, or other written evidence; and
- (5) Prior to the hearing, the Fund administrator shall provide each member of the Board that will attend the hearing with copies of the written request for an emergency appeal and any written statement of position by the plan administrator.
- (e) Unless the appellant expressly requests a public hearing, any hearing under this Rule shall be closed to the public. At the hearing, the following procedures shall apply:
- (1) The hearing shall be chaired by the EUTF chair, vice-chair, or secretary-treasurer. If none of these officers is present, the Board shall elect one of their members to chair the hearing;
- (2) The chair shall be in charge of regulating the course and conduct of the hearing;
- (3) The chair shall make all rulings on the admission, exclusion, or limitation of testimony and evidence. The admissibility of testimony and evidence shall not be governed by the laws of evidence. All relevant oral or documentary evidence shall be admitted if it is the sort of evidence on which reasonable persons are accustomed to rely in the conduct of serious affairs. Irrelevant, immaterial, or unduly repetitious material shall not be admitted into evidence. The chair shall give effect to the privileges recognized by law;
- (4) At the outset of the hearing, the chair shall provide a brief overview of the procedures that will apply to the hearing. Following this, the Fund administrator or other representative of the Fund staff shall state the nature and background of the proceeding, including the name of the appellant, the decision being appealed, and the relief being requested;
- (5) After the presentation by the Fund administrator or staff, the appellant shall present his or her testimony, evidence, and arguments in support of the appeal. Following the appellant, the plan administrator shall present its testimony, evidence, and argument, if any, in support of the decision being appealed. At any time during the hearing, the Board may ask questions to the appellant, plan administrator, Fund staff, and any witnesses who

testify at the hearing. At the conclusion of the hearing, both the appellant and plan administrator may present final arguments in support of their positions;

- (6) At any time during the hearing, the Board may enter executive session to consult counsel regarding any legal issues involved in the appeal; and
- (7) Prior to the conclusion of the hearing, the Board shall announce its decision on the appeal to the appellant and plan administrator. The Board shall subsequently issue the Board's decision in writing. A certified copy of the written decision shall be sent by certified mail, return receipt requested, to the appellant and plan administrator within a reasonable time after the hearing.

- (f) The Fund administrator may designate one or more EUTF staff members to perform any or all of the Fund administrator's duties under this Rule when the Fund administrator is unavailable or otherwise unable to perform such duties.

A surviving domestic partner shall not cease to be eligible under subsections (3) or (5) because the death of the employee or retired employee prevents him or her from further meeting the requirements of parts (1), (2), (3), (6), and (8) of the definition of "domestic partner" in Rule 1.02. With respect to subsections (4) and (6),

With respect to subsection (2), an unmarried child ceases to be eligible as of midnight of the child's nineteenth or twenty-fourth birthday, as applicable. With respect to subsections (2) and (3), the child of a domestic partner ceases to be eligible upon the dissolution of the domestic partnership. In addition, as a condition of eligibility for any child over the age of nineteen, the employee-beneficiary shall provide the Fund with written proof reasonably satisfactory to the Fund of the full-time student status of such child. Such written proof shall be provided at such times and in such form as the Fund may from time to time direct.

Notwithstanding any other provisions in these rules to the contrary, a dependent-beneficiary who is eligible to enroll in the Medicare Part B medical insurance plan shall not be eligible for coverage under any retiree benefit plan offered or sponsored by the Fund until the dependent-beneficiary has enrolled in the Medicare Part B medical insurance plan.

Enrollment applications shall include the employee-beneficiary's authorization to the state comptroller or the appropriate county director of finance to assign sufficient compensation to the Fund in payment of all contributions due from such employee-beneficiary for enrollment or coverage in any and all Fund benefit plans.

4.02 Rejection of an Enrollment Application

- (a) Any enrollment application may be rejected if it is incomplete or does not contain all information required to be provided by the employee-beneficiary.

 - (1) The application seeks to enroll a person who is not eligible to enroll in the benefit plan for which enrollment is requested;

- (c) Notification shall be provided to the employee-beneficiary of the rejection of any enrollment application.

4.03 Dual or Multiple Enrollment

- (a) No person may be enrolled simultaneously in any benefit plan offered or sponsored by the Fund as both an employee-beneficiary and a dependent-beneficiary, nor may unmarried children be enrolled by more than one employee-beneficiary. The Fund shall cancel such dual coverage enrollments.
- (b) Where an employee-beneficiary files more than one enrollment application, the enrollment application bearing the latest filing date shall be the one used by the Fund to process the employee-beneficiary's enrollment, provided the employee-beneficiary is eligible for such enrollment.

Except as otherwise provided in these rules or by applicable federal or state law, the following shall apply to all applications to enroll in the benefit plans offered or sponsored by the Fund, to add or delete dependent-beneficiaries, or to change enrollments or coverages:

- (a) No enrollment of an employee-beneficiary, addition or deletion of a dependent-beneficiary, or change in an enrollment or coverage shall be effective without the filing of a properly completed enrollment application.
- (b) The effective dates of coverage, deletions of coverage, and changes in coverage shall be dependent on the filing of a properly completed

enrollment application within thirty days of the specified event that allows the filing of the application.

- (c) An employee-beneficiary who fails to file an enrollment application within the time prescribed by subsection (b) or any otherwise applicable rule shall not be permitted to file that application until the next open or special enrollment period.

4.06 Notification of Changes in Personal Information

Each employee-beneficiary shall immediately notify the Fund in writing of any changes in the employee-beneficiary's name or address or marital or domestic partnership status, of the birth or adoption of a child or any other changes in the family status of the employee-beneficiary, and any other material changes in the information previously filed by the employee-beneficiary as part of an enrollment application. Each notice to the Fund shall be submitted through the employee-beneficiary's employer or, if none, shall be submitted directly to the Fund.

4.07 Verification of Eligibility

The board may require periodic verification of eligibility for employee-beneficiaries and dependent-beneficiaries enrolled by an employee-beneficiary in Fund benefit plans. The board may set standards and procedures for the required verification. If verification is not provided in accordance with the standards and procedures established by the board, the dependent-beneficiary's enrollment shall be cancelled as set forth in Rule 4.12(d).

- (b) Coverage for the persons covered by subsection (a) shall become effective on the later of:
 - (1) The date of the event that makes the person eligible for enrollment when a properly completed enrollment application is filed within thirty days of the event; or
 - (2) The first day of the month following the date the person files a properly completed enrollment application.
- (c) Nothing in this rule shall permit an employee-beneficiary or dependent-beneficiary who is eligible to enroll in the Medicare Part B medical insurance plan to be covered under any benefit plan offered or sponsored by the Fund until enrolled in the Medicare Part B medical insurance plan. Further, nothing in this rule is meant to permit the enrollment of any person who is not otherwise eligible for enrollment in the benefit plan offered or sponsored by the Fund.

4.09 Open and Special Enrollment Periods

Except as otherwise provided by these rules, an employee-beneficiary may file an enrollment application during an open or special enrollment period to make any one or a combination of specific enrollment changes that have been approved by the board for that open or special enrollment period. The changes that the board may approve include, but are not limited to, changes from non-enrolled to enrolled status, changes between plans, changes in levels of coverage, and cancellations. All changes made shall become effective on the date approved by the board for the open or special enrollment period.

4.10 Continuation of Coverage

Subject to applicable federal and state law, coverage under the benefit plans offered or sponsored by the Fund shall continue:

- (a) Provided the employee-beneficiary meets the eligibility provisions of Rule 3.01 and pays the employee's premium contribution as provided by

statute, the employer's administrative rules, or an applicable bargaining unit agreement;

- (b) While the employee-beneficiary participates in an employee strike authorized by chapter 89, Hawaii Revised Statutes, provided that nothing in this rule shall limit the right or ability of the Fund to collect premium contributions from any public employer or employee-beneficiaries or the remedies available to the Fund to collect such premium contributions.
- (c) When an employee terminates employment and is rehired by a public employer within the same pay period or the next consecutive pay period, the employee shall be considered as having transferred employment. The employee shall be treated as if continuously enrolled in the Fund benefit plans in which the employee was enrolled at the time of termination and shall be required to pay the full cost of coverage to the extent that such is not paid by the employee's public employer. The employee shall not be allowed to change between plans unless the employee's current Fund benefit plan is unavailable at the employee's new employment location.

4.11 Contribution Shortages

A notice of contribution shortage shall be sent to an employee-beneficiary at his or her last known address if any portion of the employee-beneficiary's required semi-monthly contributions is not paid or is not withheld from the employee-beneficiary's earnings and transmitted to the Fund. The notice shall be sent within thirty days of the date on which the required semi-monthly contribution payment was due. Cancellation of the employee-beneficiary's enrollment due to any contribution shortage shall be as per Rule 4.12(c), and reinstatement of the employee-beneficiary's enrollment after any such cancellation shall be as per Rule 4.14(b).

4.12 Cancellation of Enrollment; Effective Dates of Cancellation

- (a) Voluntary Cancellation Requested by the Employee-Beneficiary. An employee-beneficiary may voluntarily cancel enrollment in a Fund benefit plan at any time by filing an enrollment application requesting cancellation with the employee-beneficiary's employer or, if none, directly with the Fund. The effective date of cancellation shall be the first day of the pay period following the requested cancellation date or, if no date is specified, the effective date of cancellation shall be the first day of the pay

period after which the Fund receives the employee-beneficiary's request for cancellation.

- (b) Cancellation Due to Ineligibility. The enrollment of any ineligible person who was enrolled in error or is ineligible to enroll in or be covered in a benefit plan offered or sponsored by the Fund shall be canceled:
 - (1) When the person is notified of the error or ineligibility prior to the effective date of the enrollment, the person shall be treated as if the enrollment application was not submitted.
 - (2) When the person is notified after the effective date of the enrollment, the enrollment shall be canceled on the first day of the second pay period that follows the date of the Fund's notice of cancellation to the ineligible person or employee-beneficiary.
- (c) Cancellation Due to Failure to Pay Contribution Shortage. If any portion of an employee-beneficiary's required semi-monthly or monthly contributions is not paid or is not withheld from the employee-beneficiary's earnings and transmitted to the Fund within 30 days of the date of the notice of contribution shortage, the employee-beneficiary's enrollment and all coverages for dependent-beneficiaries under that enrollment shall be cancelled as of the first day following the last period for which full payment of the employee-beneficiary's required semi-monthly or monthly contributions were paid and transmitted to the Fund. However, the enrollment of the employee-beneficiary and his or her dependent-beneficiaries may be reinstated as provided in Rule 4.14(b). Cancellation of an employee-beneficiary's enrollment pursuant to this rule shall not affect the Fund's right to collect any and all contribution shortages from the employee-beneficiary.
- (d) Cancellation Due to Failure to Comply with Rules. If an employee-beneficiary materially fails to comply with any of the Fund's rules, the employee-beneficiary's enrollment in all of the benefit plans offered or sponsored by the Fund and all coverages for dependent-beneficiaries under that enrollment may be canceled after notice of such has been provided to the employee-beneficiary. The board may set standards and procedures for providing notice to employee-beneficiaries under this rule. The notice shall at a minimum specify how the employee-beneficiary has failed to comply with the Fund's rules, and a date by which the employee-beneficiary must comply with the Fund's rules in order to avoid

cancellation. The effective date of the cancellation shall be the date set forth in the notice as to when the employee-beneficiary must comply with the Fund's rules in order to avoid cancellation.

4.13 Termination of Enrollment; Effective Dates of Termination

- (a) Termination Due to Change in Employment Status. An employee-beneficiary's enrollment in all benefit plans offered or sponsored by the Fund and all coverages for dependent-beneficiaries under that enrollment shall be terminated upon the employee-beneficiary's loss of eligibility to participate in such plans due to a change in employment status. The effective date of the termination shall be the first day of the pay period following the effective date of the change in employment status.
- (b) Termination Due to Filing of Fraudulent Claims. An employee-beneficiary's enrollment in all of the benefit plans offered or sponsored by the Fund and all coverages for dependent-beneficiaries under that enrollment may be terminated if the employee-beneficiary files fraudulent claims for benefit. A dependent-beneficiary's coverage in all of the benefit plans offered or sponsored by the Fund may be terminated if the dependent-beneficiary files fraudulent claims for coverage and/or benefits. The effective date of the termination shall be the date that the Fund determines that the employee-beneficiary or dependent-beneficiary, as applicable, has filed fraudulent claims.
- (c) Notice to the Fund; Recovery of Benefits. If an event occurs that makes a person ineligible for continued enrollment or coverage in the benefit plans offered or sponsored by the Fund, that person or employee-beneficiary shall notify the Fund of the event as soon as reasonably practicable. All such notices shall be in writing and shall be sent to the Fund. The Fund shall be entitled to seek recovery of any benefits that were provided to any person after an event that terminated the person's enrollment or that otherwise made that person ineligible for continued enrollment in or coverage by the benefit plans offered or sponsored by the Fund. In seeking to recover benefits under this rule, the Fund shall have the rights of offset and set-off, including without limitation, the right to recover amounts from and out of any and all future benefits payable to the person whose enrollment was terminated or who otherwise ceased to be eligible for continued enrollment or coverage in the Fund's benefit plans.

4.14 Reinstatement of Enrollment

- (a) General Rule. Unless another rule of the Fund expressly applies, an employee-beneficiary whose enrollment in any of the Fund's benefit plans has been cancelled or terminated may not apply for reinstatement in those benefit plans. The employee-beneficiary may only apply for a new enrollment during the Fund's next open enrollment period. Any such new enrollment may be conditioned upon the employee-beneficiary meeting all the Fund's rules for eligibility and enrollment, curing any past deficiencies or failures that led to the employee-beneficiary's cancellation or termination, and providing adequate assurance that the employee-beneficiary will not further engage in the conduct that previously led to the employee-beneficiary's cancellation or termination. Nothing in this Rule shall be deemed to require the Fund to re-enroll any employee-beneficiary whose enrollment has been previously cancelled or terminated.

- (b) Contribution Shortage Cancellation. If an employee-beneficiary's enrollment in the Fund's benefit plan or plans has been cancelled under Rule 4.12 (c), the employee-beneficiary's enrollment in such benefit plan or plans may be reinstated if the employee-beneficiary makes full payment of all contributions due from the employee-beneficiary by the date specified in the contribution shortage notice provided for in Rule 4.11. The reinstatement shall be made so that the employee-beneficiary and his or her dependent-beneficiaries shall suffer no break in coverage. However, if the employee-beneficiary fails to pay all contribution shortages by the date specified in the contribution shortage notice provided for in Rule 4.11, the employee-beneficiary will suffer a break in coverage and may only apply for a new enrollment at the next open enrollment as per Rule 4.14 (a).

An employee-beneficiary may enroll in the health benefit plans offered or sponsored by the Fund and obtain coverage for dependent-beneficiaries when the employee-beneficiary loses coverage under the benefit plans offered or sponsored by the Fund because the employee-beneficiary's covering enrollment was terminated or the employee-beneficiary ceased to be eligible as a dependent-beneficiary. The effective date of coverage shall be the day of the employee-beneficiary's loss of coverage.
- (d) Loss of Coverage in a Non-Fund Health Benefit Plan. An employee-beneficiary who is eligible but not enrolled, may enroll in the health benefit plans offered or sponsored by the Fund, and obtain coverage for eligible dependent-beneficiaries, when the employee-beneficiary meets the

conditions required for a special enrollment under 26 U.S.C. §9801(f) and the federal regulations enacted under or pursuant to that statute. These conditions are:

- (1) At the time that coverage under the Fund's health benefit plans were offered to the employee-beneficiary, the employee-beneficiary was covered by a Non-Fund health benefit plan or a COBRA continuation provision; and
- (2) The employee-beneficiary declined coverage under the Fund's health benefit plans because of the employee-beneficiary's coverage under the Non-Fund health benefit plan or a COBRA continuation provision; and
- (3) The employee-beneficiary's coverage under the Non-Fund health benefit plan was terminated as a result of loss of eligibility for that coverage (including as a result of legal separation, divorce, death, termination of employment or reduction of hours of employment) or because employer contributions towards such coverage was terminated; or
- (4) The employee-beneficiary's coverage under the COBRA continuation provision was exhausted.

The effective date of the coverage under Rule 5.01(d) shall be as follows: If a properly completed enrollment form is filed within thirty (30) days of the date that the employee-beneficiary loses coverage or the date that the employee-beneficiary's COBRA continuation coverage is exhausted, whichever event is applicable, the effective date of coverage will be the date of that event. If a properly completed enrollment form is filed more than thirty (30) days after the event, the effective date of coverage will be the first day of the pay period after the form is received.

- (e) Enrollment Due to Changes in Marital, Domestic Partnership or Family Status. An employee-beneficiary who has previously declined coverage in the health benefit plans offered or sponsored by the Fund may enroll in the Fund benefit plans when the employee-beneficiary gains a dependent through a change in marital, domestic partnership or family status, e.g., marriage, entry into domestic partnership, birth, adoption, or issuance of a qualified medical child support order. The effective date of enrollment shall be:
 - (1) The date the Fund receives proper notification of the change in marital, domestic partnership or family status; or

- (2) The date of a child's birth, adoption, or placement for adoption.

The effective date of coverage shall be determined under Rule 4.08, the date of the event that permits enrollment being the date that the retiree deceases or the date that the employee is killed in the performance of duty, whichever is applicable.
- (h) The public employer's contribution and employee-beneficiary's contribution, if any, shall begin on the first day of the pay period immediately following the employee-beneficiary's effective date of coverage in the health benefit plans.

The effective date of the change in enrollment shall be:

Out of such contributions, the Fund shall reimburse the premiums paid, exclusive of any and all Medicare penalties, by the following persons for Medicare Part B medical insurance coverage in the amount of \$50 per month or such other amount as is determined by the board:
 - (1) An employee-beneficiary who is a retired employee;
 - (2) The employee-beneficiary's spouse or domestic partner while the employee-beneficiary is living; and

5.04 Cancellation Due to Failure to Enroll in Medicare; Effective Date of Cancellation

- (a) If an employee-beneficiary becomes eligible to enroll and fails to enroll in the federal Medicare Part B medical insurance plan, the employee-beneficiary's enrollment in all of the benefit plans offered or sponsored by the Fund and all coverages for dependent-beneficiaries under that enrollment shall be cancelled.
- (b) If a dependent-beneficiary becomes eligible to enroll and fails to enroll in the federal Medicare Part B medical insurance plan, the dependent-beneficiary's enrollment in all of the benefit plans offered or sponsored by the Fund shall be cancelled.
- (c) The effective date of any cancellation under this rule shall be the date upon which the employee-beneficiary or dependent-beneficiary, as applicable, first became eligible to enroll in the federal Medicare Part B medical insurance plan.

5.05 Termination of Enrollment; Effective Dates of Termination

- (a) Termination Due to Surviving Spouse's or Domestic Partner's Remarriage or Entry into Domestic Partnership. A surviving spouse's or domestic partner's enrollment in all benefit plans offered or sponsored by the Fund and all coverages for dependent-beneficiaries under that enrollment shall be terminated upon the surviving spouse's or domestic partner's remarriage or entry into a domestic partnership. The effective date of the termination shall be the first day of the pay period following the date of the surviving spouse's or domestic partner's remarriage or entry into a domestic partnership. Notwithstanding the foregoing, the child of a deceased retiree that is eligible to be an employee-beneficiary under Rules 3.01(a)(4) or Rule 3.01(a)(6) may continue his or her coverages by filing an enrollment application under Rule 5.01(g). Notwithstanding Rule 5.05 (b) (6), the enrollment of a child placed for adoption shall not be terminated if the employee-beneficiary has custody of and an obligation to support the child under a court order or agreement with a government agency or licensed child placing organization.

With respect to subsections (1) and (2), the loss of eligibility as a dependent-beneficiary is permanent. Unless provided otherwise by these rules or applicable federal or state law, the effective date of the termination shall be the first day of the pay period following the date of the event or, in an event under Rule 5.05 (b) (6), the date stated in a written notice to the employee-beneficiary.

5.06 Reinstatement of Enrollment; Effective Dates of Reinstatement

- (a) Reinstatement in Employment. If as a result of an order or award from a court, arbitrator or other entity with proper jurisdiction over the matter, an employee-beneficiary is found to have been wrongfully terminated or suspended and is ordered to be reinstated in state or county employment, the employee-beneficiary shall be reinstated in the same Fund benefit plans from which the employee-beneficiary's coverage was terminated. The effective date of the reinstatement shall be the date of termination so that the employee-beneficiary's coverage is continuous, provided that the employee-beneficiary pays the full cost of such coverage less any contribution paid by the employer on behalf of the employee-beneficiary as provided by statute, the employer's administrative rules, or an

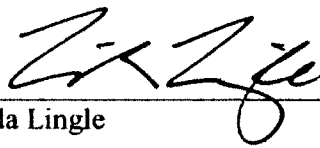

applicable bargaining unit agreement. If the full cost of such coverage is not paid, the reinstatement shall be effective upon the employee-beneficiary's return to active duty.

- (b) Return From an Authorized Leave of Absence. If an employee-beneficiary returns from an authorized leave of absence ("LOA") during which coverage was not provided by a Fund benefit plan, the employee-beneficiary may be reinstated in the same Fund benefit plans from which coverage was cancelled if the employee-beneficiary files a properly completed enrollment application. In accordance with Rule 4.05, the reinstatement shall be effective upon the employee-beneficiary's return from the LOA if the employee-beneficiary files the enrollment application within thirty days of his or her return from the LOA.
- (c) Return From a Leave of Absence Covered by the Family Medical Leave Act (FMLA) Or Uniform Services Employment and Reemployment Rights Act (USERRA). If an employee-beneficiary returns from a leave of absence covered under the FMLA or USERRA and the employee-beneficiary's enrollment in the Fund benefit plans was canceled during that leave of absence, the employee-beneficiary shall be reinstated in the same Fund benefit plans from which coverage was canceled. The reinstatement shall be effective upon the employee-beneficiary's return to work.
- (d) Enrollment in Medicare by a Retired Employee. If the enrollment of an employee-beneficiary or the coverage of a dependent-beneficiary was terminated due to the employee-beneficiary's or dependent-beneficiary's failure to enroll in the federal Medicare Part B medical insurance plan, upon the employee-beneficiary's or dependent-beneficiary's enrollment in such plan and submission of a proper and complete enrollment application to the Fund, the employee-beneficiary or dependent-beneficiary shall be enrolled in or covered by the Medicare supplemental plan offered by the Fund. The coverage shall be effective on the date specified in Rule 5.03.
- (e) The employer's contribution and the employee-beneficiary's contribution shall begin on the first day of the pay period immediately following the employee-beneficiary's effective date of coverage.

ANNUAL REPORT

FISCAL YEAR 2007-08

**Hawaii Employer-Union Health Benefits Trust Fund
State of Hawaii**

December 2008

This report presents an overview of the activities of the Hawaii Employer-Union Health Benefits Trust Fund ("EUTF") for the fiscal year 2007 - 2008. The EUTF is administratively attached to the Department of Budget and Finance. The EUTF's office is located at Suite 1520, City Financial Tower, Honolulu, Hawaii.

OVERVIEW

Chapter 87A of the Hawaii Revised Statutes established a trust fund known as the Hawaii Employer-Union Health Benefits Trust Fund. The EUTF is the state agency that provides eligible state and county employees and retirees and their eligible dependents with health and life insurance benefits. The EUTF replaced the Hawaii Public Employees Health Fund ("PEHF"), effective July 1, 2003.

TRUST FUND ORGANIZATION

Board of Trustees

The EUTF is administered by a board of trustees ("Board"). The Board is responsible for determining the nature and scope of the benefit plans offered, negotiating and entering into contracts with insurance carriers and plan administrators, establishing eligibility criteria and management policies for the EUTF, and overseeing all EUTF activities.

There are ten trustees, five representing the public employers and five representing employee-beneficiaries, including a retiree representative. The current trustees are shown below:

Employer Trustees

- Barbara Annis
- Darwin Ching
- Marie Laderta
- Lawrence Reifurth
- Stanley Shiraki

Employee-Beneficiary Trustees

- Carl Daeufer, Retirees
- Guy Fujio, HFFA
- Elizabeth Ho, AFSCME
- George Kahoonohano, SHOPO
- John Radcliffe, UHPA

Board officers currently are Marie Laderta, Chairperson, Barbara Annis, Vice-Chairperson and Elizabeth Ho, Secretary-Treasurer. The officers serve a one-year term beginning July 1 of each year.

During the period covered by this report, the Board has used both standing and temporary committees to facilitate its administration of the EUTF. The two standing committees are the Administrative Committee and the Benefits Committee. The Administrative Committee considers matters pertaining to the administration and operation of the EUTF, e.g., development of budget, organization of staff, setting of personnel policies, evaluation of EUTF systems, and consideration of use of third party administration services. The Benefits Committee considers matters pertaining to the design and procurement of the EUTF's health and life insurance benefit plans.

Administrator and Staff

The day-to-day administration of the EUTF is managed by an administrator who reports to and is responsible to the Board. The administrator is James Williams who was hired in November 2004. The EUTF administrator and new staff positions are exempt from civil service.

The administrator is assisted in managing the EUTF by an assistant administrator, a financial management officer, and an information systems analyst. EUTF staff has a total of 35 employees (including management staff and the Administrator).

The EUTF has three branches: the Financial Services Branch, Information Systems Branch, and Member Services Branch. A health benefits program manager oversees the Member Services Branch and is supported by employees assigned to customer service duties that include answering phones and e-mails from members and handling all processing for retirees and the other employees process all active employee enrollment submissions. The financial management officer is supported by two accountants and three account clerks, who reconcile employee accounts, collect employer/employee contributions for health benefits and process all payments. The EUTF information systems analyst provides internal IT support services, fulfills HIPAA security responsibilities, coordinates additional support services provided by DAGS/ICSD, is the project manager for the new benefits administration system implementation (BAS) project and is supported by one IS specialist.

Advisors and Consultants

The Board utilized the services of Aon Consulting as its benefits plan consultant effective June 28, 2007. A request for proposal for benefit plan consulting services was issued in March 2007 and the contract was awarded to Aon Consulting in June 2007 with an effective contract start date of June 28, 2007. Aon Consulting is among the top global human capital and management consulting firms, providing a complete array of consulting, outsourcing and insurance brokerage services. The Honolulu office staffed by 11 consultants and support staff focuses on the delivery of employee benefit programs consistent with Hawaii statutes. Aon's contract is through June 30, 2009 with an option to extend the Contract for two years from July 1, 2009 through June 30, 2011.

The Board also has employed professional consultants and advisors on certain specific issues of importance to the EUTF. Business Solutions Technologies (BST) was retained to assist the EUTF with on-going support of the PeopleSoft health fund information management system (PeopleSoft/HFIMS) and assist as technical subject matter experts for implementing the new BAS. Vitech Systems Group, Inc. was selected to implement a new benefits administration system. This system will replace the PeopleSoft/HFIMS. Gartner, Inc. is providing project oversight and assessment over the implementation of the new benefits administration system. In addition, an advisor seat was purchased from Gartner, Inc which offers a cost-effective way for EUTF to obtain valuable technical research, information and reports to support critical information technology needs. .

ADMINISTRATIVE RULES

The EUTF operates according to administrative rules originally adopted in February 2003. The administrative rules were formulated to meet the requirements of Chapter 87A, Hawaii Revised Statutes, and the health and other benefit plans established by the EUTF. In addition, they were designed to increase administrative efficiencies and reduce the EUTF's administrative costs. For example, the rules set the effective dates for initial enrollments, changes in enrollment, and cancellations of enrollment in the EUTF's health benefit plans so as to facilitate automated handling of such activities. After a general review by the staff and Board, the administrative rules were revised in December 2007.

HEALTH AND LIFE INSURANCE BENEFIT PLANS

During fiscal year 2007-2008, the EUTF provided health and life insurance benefits through contracts with the following organizations:

- ◆ Hawaii Medical Service Association (HMSA)
- ◆ Health Management Associates (HMA)
- ◆ Kaiser Permanente (Kaiser)
- ◆ National Medical Health Card Systems, Inc (NMHC)
- ◆ Hawaii Dental Service (HDS)
- ◆ Vision Service Plan (VSP)
- ◆ Royal State National Insurance Company, Ltd./ChiroPlan Hawaii, Inc. (ChiroPlan)
- ◆ Royal State National Insurance Company, Ltd. (Royal State)
- ◆ Standard Insurance Company (Standard)

During fiscal year 2007-2008 the EUTF introduced several new medical plan options for both employees and retirees. HMSA and HMA provided Preferred Provider Option (PPO) plans for both employees and retirees. The Kaiser Comprehensive Option HMO plan remained available for both employees and retirees. Two additional HMO medical plans were added for active employees, a Kaiser Basic Option HMO medical plan and an HMSA HMO medical plan. A new plan, the HMSA High Deductible Health Plan, was introduced for active employees. The supplemental plans offered by HMSA and Royal State National remained the same. HDS and VSP provided the regular dental and vision plans respectively for active employees and the regular dental and vision plans for retirees. The supplemental plans for both dental (HDS) and vision (VSP) were dropped due to lack of participation. Standard Life Insurance won the contract for the insurance plan, replacing Aetna, for active employees and retirees. Contracts with these organizations expire on June 30, 2009.

For both active employees and retirees, the health benefit plans provided by the EUTF during the fiscal year were available to domestic partners and full-time students up to the age of 24. No additional premium was required for student coverage under the family option. Active employees also received chiropractic benefits through ChiroPlan Hawaii which was offered in combination with any of the medical plans offered.

All active employees who have medical coverage through private sector or federal government plans were eligible to enroll in either of two Supplemental Medical Plans. The Royal State National Insurance Company, Ltd offered a dual coverage medical reimbursement plan, and HMSA offered a fee-for-service dual coverage plan.

The table below shows active employees' enrollment as of June 30, 2008.

OPERATIONS

During fiscal year 2007, the EUTF implemented several major policy and program changes as follows:

- Changed Prescription Drug carriers from HMSA to NMHC (July 1, 2007)
- Implemented four new Medical plans (two HMO, one PPO and one HDHP plans effective July 1, 2007)
- Implemented the EUTF self-funded health plans
- Selected ViTech's V3 BAS software to replace the PeopleSoft benefits administration system
- Dropped the supplemental (dual) dental and vision plans

These implementations challenged EUTF resources, staff capabilities and communications processes.

Ongoing Programs and General Operations

The EUTF participates with the major State departments and counties which host pre-retirement, orientation and other informational sessions during the year. Over 3,400 interested employees attended these sessions. The EUTF continued the program to provide on-site retirement counseling in conjunction with the Employee Retirement System's periodic group retirement counseling sessions. During these sessions, the employee receives counseling from the EUTF staff on their retirement health and life insurance benefits.

During FY2008, the EUTF Customer Service staff faced significant challenges that resulted from the programs noted above. From July 1, 2007 – June 30, 2008, the EUTF Customer Service line received over 53,433 incoming telephone calls. In addition, the Customer Service staff made 17,275 outgoing calls. To address the volume of calls, a new, more efficient automated call distribution system was implemented in March 2008. The results have been significant. During the first 8 ½ months of the fiscal year, the EUTF was able to answer less than 60% of all incoming calls. Since the implementation, the EUTF Customer service section has been able to answer over 93% of all incoming calls. This has provided the EUTF functionality to route calls more efficiently. The additional types of plans and the implementation of the Medicare Part D Prescription Drugs plan had a significant impact on the types of calls received by the EUTF. The number of outgoing calls increased significantly due to the complexity of the questions and inquiries fielded.

In addition, the same staff processed over 15,600 retiree enrollment-related forms, processed, printed and mailed over 6,800 COBRA election notices, 5350 COBRA initial notices, 3,000 COBRA related notices, 20,000 confirmation notices, 6,000 retiree related notices and other project notices or letters such as the special enrollment and responses to retiree requests.

The Enrollment staff received and imaged 56,437 documents during FY2008. Of the documents received and imaged, the staff processed all but 3,583 documents for a completion rate of 94% by July 2008. Enrollment related documents which affected an employee or retiree's benefit plans or coverage total nearly 73% of all documents submitted. Other documents dealt with change of address, correction or clarification of data submitted, removal of dependents from plans and other miscellaneous categories.

The FY 2009 Open Enrollment for active employees was held from April 14, 2008 to May 14, 2008. The EUTF staff conducted 12 training sessions on the four major islands which were attended by over 350 personnel and financial officers. From April 14 – May 16, 2008, 43 open enrollment informational sessions for employees were held on the four major islands plus Molokai and Lanai. About 2,500 employees attended these sessions. Even with the minor changes from the previous year, the EUTF received and processed nearly 9,700 open enrollment changes from the active employees.

In order to better synchronize with the Medicare Part D open enrollment period held in November/December of each year, the open enrollment for EUTF retirees was not held in the spring of 2008 and will be held in fall 2008 to precede Medicare's open enrollment.

FISCAL YEAR 2008

During FY 2008, the EUTF collected \$551,754,581, in employer and employee contributions for health benefit plans and paid carriers \$511,378,717 in premiums. Medicare Part B reimbursements paid to retirees amounted to \$40,948,023. The above amounts are presented on an accrual basis and do not include retrospective premium amounts of approximately \$2.7 million due to HDS and VSP and incurred but not reported expenses in the amount of approximately \$35.4 for the self-funded plans.

An annual audit of the EUTF, as required by Chapter 87A-25(2), was conducted for the plan year July 1, 2007 through June 30, 2008 by Grant Thornton LLP. This audit report includes Government Accounting Standards Board Statement No. 43 (GASB 43), Financial Reporting for Post-employment Benefit Plans Other Than Pension Plans. The EUTF financial reports as presented in the Audit Report were approved by the EUTF Board of Trustees on December 8, 2008 and are attached to and incorporated in this report.

GENERAL CONDITIONS

1. Coordination of Services by the STATE. The head of the purchasing agency ("HOPA") (which term includes the designee of the HOPA) shall coordinate the services to be provided by the CONTRACTOR in order to complete the performance required in the Contract. The CONTRACTOR shall maintain communications with HOPA at all stages of the CONTRACTOR'S work, and submit to HOPA for resolution any questions which may arise as to the performance of this Contract. "Purchasing agency" as used in these General Conditions means and includes any governmental body which is authorized under chapter 103D, HRS, or its implementing rules and procedures, or by way of delegation, to enter into contracts for the procurement of goods or services or both.
2. Relationship of Parties: Independent Contractor Status and Responsibilities, Including Tax Responsibilities.
 - a. In the performance of services required under this Contract, the CONTRACTOR is an "independent contractor," with the authority and responsibility to control and direct the performance and details of the work and services required under this Contract; however, the STATE shall have a general right to inspect work in progress to determine whether, in the STATE'S opinion, the services are being performed by the CONTRACTOR in compliance with this Contract. Unless otherwise provided by special condition, it is understood that the STATE does not agree to use the CONTRACTOR exclusively, and that the CONTRACTOR is free to contract to provide services to other individuals or entities while under contract with the STATE.
 - b. The CONTRACTOR and the CONTRACTOR'S employees and agents are not by reason of this Contract, agents or employees of the State for any purpose, and the CONTRACTOR and the CONTRACTOR'S employees and agents shall not be entitled to claim or receive from the State any vacation, sick leave, retirement, workers' compensation, unemployment insurance, or other benefits provided to state employees.
 - c. The CONTRACTOR shall be responsible for the accuracy, completeness, and adequacy of the CONTRACTOR'S performance under this Contract. Furthermore, the CONTRACTOR intentionally, voluntarily, and knowingly assumes the sole and entire liability to the CONTRACTOR'S employees and agents, and to any individual not a party to this Contract, for all loss, damage, or injury caused by the CONTRACTOR, or the CONTRACTOR'S employees or agents in the course of their employment.
 - d. The CONTRACTOR shall be responsible for payment of all applicable federal, state, and county taxes and fees which may become due and owing by the CONTRACTOR by reason of this Contract, including but not limited to (i) income taxes, (ii) employment related fees, assessments, and taxes, and (iii) general excise taxes. The CONTRACTOR also is responsible for obtaining all licenses, permits, and certificates that may be required in order to perform this Contract.
 - e. The CONTRACTOR shall obtain a general excise tax license from the Department of Taxation, State of Hawaii, in accordance with section 237-9, HRS, and shall comply with all requirements thereof. The CONTRACTOR shall obtain a tax clearance certificate from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of the Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid and submit the same to the STATE prior to commencing any performance under this Contract. The CONTRACTOR shall also be solely responsible for meeting all requirements necessary to obtain the tax clearance certificate required for final payment under sections 103-53 and 103D-328, HRS, and paragraph 17 of these General Conditions.
 - f. The CONTRACTOR is responsible for securing all employee-related insurance coverage for the CONTRACTOR and the CONTRACTOR'S employees and agents that is or may be required by law, and for payment of all premiums, costs, and other liabilities associated with securing the insurance coverage.

- g. The CONTRACTOR shall obtain a certificate of compliance issued by the Department of Labor and Industrial Relations, State of Hawaii, in accordance with section 103D-310, HRS, and section 3-122-112, HAR, that is current within six months of the date of issuance.
- h. The CONTRACTOR shall obtain a certificate of good standing issued by the Department of Commerce and Consumer Affairs, State of Hawaii, in accordance with section 103D-310, HRS, and section 3-122-112, HAR, that is current within six months of the date of issuance.
- i. In lieu of the above certificates from the Department of Taxation, Labor and Industrial Relations, and Commerce and Consumer Affairs, the CONTRACTOR may submit proof of compliance through the State Procurement Office's designated certification process.

3. Personnel Requirements.

- a. The CONTRACTOR shall secure, at the CONTRACTOR'S own expense, all personnel required to perform this Contract.
- b. The CONTRACTOR shall ensure that the CONTRACTOR'S employees or agents are experienced and fully qualified to engage in the activities and perform the services required under this Contract, and that all applicable licensing and operating requirements imposed or required under federal, state, or county law, and all applicable accreditation and other standards of quality generally accepted in the field of the activities of such employees and agents are complied with and satisfied.

4. Nondiscrimination. No person performing work under this Contract, including any subcontractor, employee, or agent of the CONTRACTOR, shall engage in any discrimination that is prohibited by any applicable federal, state, or county law.

5. Conflicts of Interest. The CONTRACTOR represents that neither the CONTRACTOR, nor any employee or agent of the CONTRACTOR, presently has any interest, and promises that no such interest, direct or indirect, shall be acquired, that would or might conflict in any manner or degree with the CONTRACTOR'S performance under this Contract.

6. Subcontracts and Assignments. The CONTRACTOR shall not assign or subcontract any of the CONTRACTOR'S duties, obligations, or interests under this Contract and no such assignment or subcontract shall be effective unless (i) the CONTRACTOR obtains the prior written consent of the STATE, and (ii) the CONTRACTOR'S assignee or subcontractor submits to the STATE a tax clearance certificate from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR'S assignee or subcontractor have been paid. Additionally, no assignment by the CONTRACTOR of the CONTRACTOR'S right to compensation under this Contract shall be effective unless and until the assignment is approved by the Comptroller of the State of Hawaii, as provided in section 40-58, HRS.

- a. Recognition of a successor in interest. When in the best interest of the State, a successor in interest may be recognized in an assignment contract in which the STATE, the CONTRACTOR and the assignee or transferee (hereinafter referred to as the "Assignee") agree that:

- (1) The Assignee assumes all of the CONTRACTOR'S obligations;
- (2) The CONTRACTOR remains liable for all obligations under this Contract but waives all rights under this Contract as against the STATE; and
- (3) The CONTRACTOR shall continue to furnish, and the Assignee shall also furnish, all required bonds.

- b. Change of name. When the CONTRACTOR asks to change the name in which it holds this Contract with the STATE, the procurement officer of the purchasing agency (hereinafter referred to as the "Agency procurement officer") shall, upon receipt of a document acceptable or satisfactory to the

Agency procurement officer indicating such change of name (for example, an amendment to the CONTRACTOR'S articles of incorporation), enter into an amendment to this Contract with the CONTRACTOR to effect such a change of name. The amendment to this Contract changing the CONTRACTOR'S name shall specifically indicate that no other terms and conditions of this Contract are thereby changed.

- c. Reports. All assignment contracts and amendments to this Contract effecting changes of the CONTRACTOR'S name or novations hereunder shall be reported to the chief procurement officer (CPO) as defined in section 103D-203(a), HRS, within thirty days of the date that the assignment contract or amendment becomes effective.
 - d. Actions affecting more than one purchasing agency. Notwithstanding the provisions of subparagraphs 6a through 6c herein, when the CONTRACTOR holds contracts with more than one purchasing agency of the State, the assignment contracts and the novation and change of name amendments herein authorized shall be processed only through the CPO's office.
- 7. Indemnification and Defense. The CONTRACTOR shall defend, indemnify, and hold harmless the State of Hawaii, the contracting agency, and their officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys' fees, and all claims, suits, and demands therefore, arising out of or resulting from the acts or omissions of the CONTRACTOR or the CONTRACTOR'S employees, officers, agents, or subcontractors under this Contract. The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Contract.
 - 8. Cost of Litigation. In case the STATE shall, without any fault on its part, be made a party to any litigation commenced by or against the CONTRACTOR in connection with this Contract, the CONTRACTOR shall pay all costs and expenses incurred by or imposed on the STATE, including attorneys' fees.
 - 9. Liquidated Damages. When the CONTRACTOR is given notice of delay or nonperformance as specified in paragraph 13 (Termination for Default) and fails to cure in the time specified, it is agreed the CONTRACTOR shall pay to the STATE the amount, if any, set forth in this Contract per calendar day from the date set for cure until either (i) the STATE reasonably obtains similar goods or services, or both, if the CONTRACTOR is terminated for default, or (ii) until the CONTRACTOR provides the goods or services, or both, if the CONTRACTOR is not terminated for default. To the extent that the CONTRACTOR'S delay or nonperformance is excused under paragraph 13d (Excuse for Nonperformance or Delay Performance), liquidated damages shall not be assessable against the CONTRACTOR. The CONTRACTOR remains liable for damages caused other than by delay.
 - 10. STATE'S Right of Offset. The STATE may offset against any monies or other obligations the STATE owes to the CONTRACTOR under this Contract, any amounts owed to the State of Hawaii by the CONTRACTOR under this Contract or any other contracts, or pursuant to any law or other obligation owed to the State of Hawaii by the CONTRACTOR, including, without limitation, the payment of any taxes or levies of any kind or nature. The STATE will notify the CONTRACTOR in writing of any offset and the nature of such offset. For purposes of this paragraph, amounts owed to the State of Hawaii shall not include debts or obligations which have been liquidated, agreed to by the CONTRACTOR, and are covered by an installment payment or other settlement plan approved by the State of Hawaii, provided, however, that the CONTRACTOR shall be entitled to such exclusion only to the extent that the CONTRACTOR is current with, and not delinquent on, any payments or obligations owed to the State of Hawaii under such payment or other settlement plan.
 - 11. Disputes. Disputes shall be resolved in accordance with section 103D-703, HRS, and chapter 3-126, Hawaii Administrative Rules ("HAR"), as the same may be amended from time to time.
 - 12. Suspension of Contract. The STATE reserves the right at any time and for any reason to suspend this Contract for any reasonable period, upon written notice to the CONTRACTOR in accordance with the provisions herein.
 - a. Order to stop performance. The Agency procurement officer may, by written order to the CONTRACTOR, at any time, and without notice to any surety, require the CONTRACTOR to stop all or any part of the performance called for by this Contract. This order shall be for a specified period

not exceeding sixty (60) days after the order is delivered to the CONTRACTOR, unless the parties agree to any further period. Any such order shall be identified specifically as a stop performance order issued pursuant to this section. Stop performance orders shall include, as appropriate: (1) A clear description of the work to be suspended; (2) Instructions as to the issuance of further orders by the CONTRACTOR for material or services; (3) Guidance as to action to be taken on subcontracts; and (4) Other instructions and suggestions to the CONTRACTOR for minimizing costs. Upon receipt of such an order, the CONTRACTOR shall forthwith comply with its terms and suspend all performance under this Contract at the time stated, provided, however, the CONTRACTOR shall take all reasonable steps to minimize the occurrence of costs allocable to the performance covered by the order during the period of performance stoppage. Before the stop performance order expires, or within any further period to which the parties shall have agreed, the Agency procurement officer shall either:

- (1) Cancel the stop performance order; or
 - (2) Terminate the performance covered by such order as provided in the termination for default provision or the termination for convenience provision of this Contract.
- b. Cancellation or expiration of the order. If a stop performance order issued under this section is cancelled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONTRACTOR shall have the right to resume performance. An appropriate adjustment shall be made in the delivery schedule or contract price, or both, and the Contract shall be modified in writing accordingly, if:
- (1) The stop performance order results in an increase in the time required for, or in the CONTRACTOR'S cost properly allocable to, the performance of any part of this Contract; and
 - (2) The CONTRACTOR asserts a claim for such an adjustment within thirty (30) days after the end of the period of performance stoppage; provided that, if the Agency procurement officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this Contract.
- c. Termination of stopped performance. If a stop performance order is not cancelled and the performance covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop performance order shall be allowable by adjustment or otherwise.
- d. Adjustment of price. Any adjustment in contract price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.

13. Termination for Default.

- a. Default. If the CONTRACTOR refuses or fails to perform any of the provisions of this Contract with such diligence as will ensure its completion within the time specified in this Contract, or any extension thereof, otherwise fails to timely satisfy the Contract provisions, or commits any other substantial breach of this Contract, the Agency procurement officer may notify the CONTRACTOR in writing of the delay or non-performance and if not cured in ten (10) days or any longer time specified in writing by the Agency procurement officer, such officer may terminate the CONTRACTOR'S right to proceed with the Contract or such part of the Contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency procurement officer may procure similar goods or services in a manner and upon the terms deemed appropriate by the Agency procurement officer. The CONTRACTOR shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- b. CONTRACTOR'S duties. Notwithstanding termination of the Contract and subject to any directions from the Agency procurement officer, the CONTRACTOR shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest.

- c. Compensation. Payment for completed goods and services delivered and accepted by the STATE shall be at the price set forth in the Contract. Payment for the protection and preservation of property shall be in an amount agreed upon by the CONTRACTOR and the Agency procurement officer. If the parties fail to agree, the Agency procurement officer shall set an amount subject to the CONTRACTOR'S rights under chapter 3-126, HAR. The STATE may withhold from amounts due the CONTRACTOR such sums as the Agency procurement officer deems to be necessary to protect the STATE against loss because of outstanding liens or claims and to reimburse the STATE for the excess costs expected to be incurred by the STATE in procuring similar goods and services.
- d. Excuse for nonperformance or delayed performance. The CONTRACTOR shall not be in default by reason of any failure in performance of this Contract in accordance with its terms, including any failure by the CONTRACTOR to make progress in the prosecution of the performance hereunder which endangers such performance, if the CONTRACTOR has notified the Agency procurement officer within fifteen (15) days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of a public enemy; acts of the State and any other governmental body in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the CONTRACTOR shall not be deemed to be in default, unless the goods and services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the requirements of the Contract. Upon request of the CONTRACTOR, the Agency procurement officer shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the CONTRACTOR'S progress and performance would have met the terms of the Contract, the delivery schedule shall be revised accordingly, subject to the rights of the STATE under this Contract. As used in this paragraph, the term "subcontractor" means subcontractor at any tier.
- e. Erroneous termination for default. If, after notice of termination of the CONTRACTOR'S right to proceed under this paragraph, it is determined for any reason that the CONTRACTOR was not in default under this paragraph, or that the delay was excusable under the provisions of subparagraph 13d, "Excuse for nonperformance or delayed performance," the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to paragraph 14.
- f. Additional rights and remedies. The rights and remedies provided in this paragraph are in addition to any other rights and remedies provided by law or under this Contract.

14. Termination for Convenience.

- a. Termination. The Agency procurement officer may, when the interests of the STATE so require, terminate this Contract in whole or in part, for the convenience of the STATE. The Agency procurement officer shall give written notice of the termination to the CONTRACTOR specifying the part of the Contract terminated and when termination becomes effective.
- b. CONTRACTOR'S obligations. The CONTRACTOR shall incur no further obligations in connection with the terminated performance and on the date(s) set in the notice of termination the CONTRACTOR will stop performance to the extent specified. The CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. The CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance subject to the STATE'S approval. The Agency procurement officer may direct the CONTRACTOR to assign the CONTRACTOR'S right, title, and interest under terminated orders or subcontracts to the STATE. The CONTRACTOR must still complete the performance not terminated by the notice of termination and may incur obligations as necessary to do so.
- c. Right to goods and work product. The Agency procurement officer may require the CONTRACTOR to transfer title and deliver to the STATE in the manner and to the extent directed by the Agency procurement officer:

- (1) Any completed goods or work product; and
- (2) The partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the CONTRACTOR has specifically produced or specially acquired for the performance of the terminated part of this Contract.

The CONTRACTOR shall, upon direction of the Agency procurement officer, protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest. If the Agency procurement officer does not exercise this right, the CONTRACTOR shall use best efforts to sell such goods and manufacturing materials. Use of this paragraph in no way implies that the STATE has breached the Contract by exercise of the termination for convenience provision.

d. Compensation.

- (1) The CONTRACTOR shall submit a termination claim specifying the amounts due because of the termination for convenience together with the cost or pricing data, submitted to the extent required by chapter 3-122, HAR, bearing on such claim. If the CONTRACTOR fails to file a termination claim within one year from the effective date of termination, the Agency procurement officer may pay the CONTRACTOR, if at all, an amount set in accordance with subparagraph 14d(3) below.
- (2) The Agency procurement officer and the CONTRACTOR may agree to a settlement provided the CONTRACTOR has filed a termination claim supported by cost or pricing data submitted as required and that the settlement does not exceed the total Contract price plus settlement costs reduced by payments previously made by the STATE, the proceeds of any sales of goods and manufacturing materials under subparagraph 14c, and the Contract price of the performance not terminated.
- (3) Absent complete agreement under subparagraph 14d(2) the Agency procurement officer shall pay the CONTRACTOR the following amounts, provided payments agreed to under subparagraph 14d(2) shall not duplicate payments under this subparagraph for the following:
 - (A) Contract prices for goods or services accepted under the Contract;
 - (B) Costs incurred in preparing to perform and performing the terminated portion of the performance plus a fair and reasonable profit on such portion of the performance, such profit shall not include anticipatory profit or consequential damages, less amounts paid or to be paid for accepted goods or services; provided, however, that if it appears that the CONTRACTOR would have sustained a loss if the entire Contract would have been completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss;
 - (C) Costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to subparagraph 14b. These costs must not include costs paid in accordance with subparagraph 14d(3)(B);
 - (D) The reasonable settlement costs of the CONTRACTOR, including accounting, legal, clerical, and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the Contract and for the termination of subcontracts thereunder, together with reasonable storage, transportation, and other costs incurred in connection with the protection or disposition of property allocable to the terminated portion of this Contract. The total sum to be paid the CONTRACTOR under this subparagraph shall not exceed the total Contract price plus the reasonable settlement costs of the CONTRACTOR reduced by the amount of payments otherwise made, the proceeds of any sales of

supplies and manufacturing materials under subparagraph 14d(2), and the contract price of performance not terminated.

- (4) Costs claimed, agreed to, or established under subparagraphs 14d(2) and 14d(3) shall be in accordance with Chapter 3-123 (Cost Principles) of the Procurement Rules.

15. Claims Based on the Agency Procurement Officer's Actions or Omissions.

- a. Changes in scope. If any action or omission on the part of the Agency procurement officer (which term includes the designee of such officer for purposes of this paragraph 15) requiring performance changes within the scope of the Contract constitutes the basis for a claim by the CONTRACTOR for additional compensation, damages, or an extension of time for completion, the CONTRACTOR shall continue with performance of the Contract in compliance with the directions or orders of such officials, but by so doing, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, damages, or an extension of time for completion; provided:
- (1) Written notice required. The CONTRACTOR shall give written notice to the Agency procurement officer:
- (A) Prior to the commencement of the performance involved, if at that time the CONTRACTOR knows of the occurrence of such action or omission;
- (B) Within thirty (30) days after the CONTRACTOR knows of the occurrence of such action or omission, if the CONTRACTOR did not have such knowledge prior to the commencement of the performance; or
- (C) Within such further time as may be allowed by the Agency procurement officer in writing.
- (2) Notice content. This notice shall state that the CONTRACTOR regards the act or omission as a reason which may entitle the CONTRACTOR to additional compensation, damages, or an extension of time. The Agency procurement officer, upon receipt of such notice, may rescind such action, remedy such omission, or take such other steps as may be deemed advisable in the discretion of the Agency procurement officer;
- (3) Basis must be explained. The notice required by subparagraph 15a(1) describes as clearly as practicable at the time the reasons why the CONTRACTOR believes that additional compensation, damages, or an extension of time may be remedies to which the CONTRACTOR is entitled; and
- (4) Claim must be justified. The CONTRACTOR must maintain and, upon request, make available to the Agency procurement officer within a reasonable time, detailed records to the extent practicable, and other documentation and evidence satisfactory to the STATE, justifying the claimed additional costs or an extension of time in connection with such changes.
- b. CONTRACTOR not excused. Nothing herein contained, however, shall excuse the CONTRACTOR from compliance with any rules or laws precluding any state officers and CONTRACTOR from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the Contract.
- c. Price adjustment. Any adjustment in the price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.

16. Costs and Expenses. Any reimbursement due the CONTRACTOR for per diem and transportation expenses under this Contract shall be subject to chapter 3-123 (Cost Principles), HAR, and the following guidelines:

- a. Reimbursement for air transportation shall be for actual cost or coach class air fare, whichever is less.

- b. Reimbursement for ground transportation costs shall not exceed the actual cost of renting an intermediate-sized vehicle.
- c. Unless prior written approval of the HOPA is obtained, reimbursement for subsistence allowance (i.e., hotel and meals, etc.) shall not exceed the applicable daily authorized rates for inter-island or out-of-state travel that are set forth in the current Governor's Executive Order authorizing adjustments in salaries and benefits for state officers and employees in the executive branch who are excluded from collective bargaining coverage.

17. Payment Procedures; Final Payment; Tax Clearance.

- a. Original invoices required. All payments under this Contract shall be made only upon submission by the CONTRACTOR of original invoices specifying the amount due and certifying that services requested under the Contract have been performed by the CONTRACTOR according to the Contract.
- b. Subject to available funds. Such payments are subject to availability of funds and allotment by the Director of Finance in accordance with chapter 37, HRS. Further, all payments shall be made in accordance with and subject to chapter 40, HRS.
- c. Prompt payment.
 - (1) Any money, other than retainage, paid to the CONTRACTOR shall be disbursed to subcontractors within ten (10) days after receipt of the money in accordance with the terms of the subcontract; provided that the subcontractor has met all the terms and conditions of the subcontract and there are no bona fide disputes; and
 - (2) Upon final payment to the CONTRACTOR, full payment to the subcontractor, including retainage, shall be made within ten (10) days after receipt of the money; provided that there are no bona fide disputes over the subcontractor's performance under the subcontract.
- d. Final payment. Final payment under this Contract shall be subject to sections 103-53 and 103D-328, HRS, which require a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid. Further, in accordance with section 3-122-112, HAR, CONTRACTOR shall provide a certificate affirming that the CONTRACTOR has remained in compliance with all applicable laws as required by this section.

18. Federal Funds. If this Contract is payable in whole or in part from federal funds, CONTRACTOR agrees that, as to the portion of the compensation under this Contract to be payable from federal funds, the CONTRACTOR shall be paid only from such funds received from the federal government, and shall not be paid from any other funds. Failure of the STATE to receive anticipated federal funds shall not be considered a breach by the STATE or an excuse for nonperformance by the CONTRACTOR.

19. Modifications of Contract.

- a. In writing. Any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract permitted by this Contract shall be made by written amendment to this Contract, signed by the CONTRACTOR and the STATE, provided that change orders shall be made in accordance with paragraph 20 herein.
- b. No oral modification. No oral modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract shall be permitted.
- c. Agency procurement officer. By written order, at any time, and without notice to any surety, the Agency procurement officer may unilaterally order of the CONTRACTOR:

- (A) Changes in the work within the scope of the Contract; and
 - (B) Changes in the time of performance of the Contract that do not alter the scope of the Contract work.
- d. Adjustments of price or time for performance. If any modification increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, an adjustment shall be made and this Contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined, where applicable, in accordance with the price adjustment clause of this Contract or as negotiated.
 - e. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if written modification of the Contract is not made prior to final payment under this Contract.
 - f. Claims not barred. In the absence of a written contract modification, nothing in this clause shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under this Contract or for a breach of contract.
 - g. CPO approval. If this is a professional services contract awarded pursuant to section 103D-303 or 103D-304, HRS, any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract which increases the amount payable to the CONTRACTOR by at least \$25,000.00 or ten per cent (10%) of the initial contract price, whichever increase is higher, must receive the prior approval of the CPO.
 - h. Tax clearance. The STATE may, at its discretion, require the CONTRACTOR to submit to the STATE, prior to the STATE'S approval of any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract, a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid.
 - i. Sole source contracts. Amendments to sole source contracts that would change the original scope of the Contract may only be made with the approval of the CPO. Annual renewal of a sole source contract for services should not be submitted as an amendment.
20. Change Order. The Agency procurement officer may, by a written order signed only by the STATE, at any time, and without notice to any surety, and subject to all appropriate adjustments, make changes within the general scope of this Contract in any one or more of the following:
- (1) Drawings, designs, or specifications, if the goods or services to be furnished are to be specially provided to the STATE in accordance therewith;
 - (2) Method of delivery; or
 - (3) Place of delivery.
- a. Adjustments of price or time for performance. If any change order increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, whether or not changed by the order, an adjustment shall be made and the Contract modified in writing accordingly. Any adjustment in the Contract price made pursuant to this provision shall be determined in accordance with the price adjustment provision of this Contract. Failure of the parties to agree to an adjustment shall not excuse the CONTRACTOR from proceeding with the Contract as changed, provided that the Agency procurement officer promptly and duly makes the provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, or any extension of time for completion.

- b. Time period for claim. Within ten (10) days after receipt of a written change order under subparagraph 20a, unless the period is extended by the Agency procurement officer in writing, the CONTRACTOR shall respond with a claim for an adjustment. The requirement for a timely written response by CONTRACTOR cannot be waived and shall be a condition precedent to the assertion of a claim.
- c. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if a written response is not given prior to final payment under this Contract.
- d. Other claims not barred. In the absence of a change order, nothing in this paragraph 20 shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under the Contract or for breach of contract.

21. Price Adjustment.

- a. Price adjustment. Any adjustment in the contract price pursuant to a provision in this Contract shall be made in one or more of the following ways:
 - (1) By agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;
 - (2) By unit prices specified in the Contract or subsequently agreed upon;
 - (3) By the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as specified in the Contract or subsequently agreed upon;
 - (4) In such other manner as the parties may mutually agree; or
 - (5) In the absence of agreement between the parties, by a unilateral determination by the Agency procurement officer of the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as computed by the Agency procurement officer in accordance with generally accepted accounting principles and applicable sections of chapters 3-123 and 3-126, HAR.
- b. Submission of cost or pricing data. The CONTRACTOR shall provide cost or pricing data for any price adjustments subject to the provisions of chapter 3-122, HAR.

22. Variation in Quantity for Definite Quantity Contracts. Upon the agreement of the STATE and the CONTRACTOR, the quantity of goods or services, or both, if a definite quantity is specified in this Contract, may be increased by a maximum of ten per cent (10%); provided the unit prices will remain the same except for any price adjustments otherwise applicable; and the Agency procurement officer makes a written determination that such an increase will either be more economical than awarding another contract or that it would not be practical to award another contract.

23. Changes in Cost-Reimbursement Contract. If this Contract is a cost-reimbursement contract, the following provisions shall apply:

- a. The Agency procurement officer may at any time by written order, and without notice to the sureties, if any, make changes within the general scope of the Contract in any one or more of the following:
 - (1) Description of performance (Attachment 1);
 - (2) Time of performance (i.e., hours of the day, days of the week, etc.);
 - (3) Place of performance of services;

 - c. The CONTRACTOR must assert the CONTRACTOR'S rights to an adjustment under this provision within thirty (30) days from the day of receipt of the written order. However, if the Agency procurement officer decides that the facts justify it, the Agency procurement officer may receive and act upon a proposal submitted before final payment under the Contract.
 - d. Failure to agree to any adjustment shall be a dispute under paragraph 11 of this Contract. However, nothing in this provision shall excuse the CONTRACTOR from proceeding with the Contract as changed.
 - e. Notwithstanding the terms and conditions of subparagraphs 23a and 23b, the estimated cost of this Contract and, if this Contract is incrementally funded, the funds allotted for the performance of this Contract, shall not be increased or considered to be increased except by specific written modification of the Contract indicating the new contract estimated cost and, if this contract is incrementally funded, the new amount allotted to the contract.
24. Confidentiality of Material.
- a. All material given to or made available to the CONTRACTOR by virtue of this Contract, which is identified as proprietary or confidential information, will be safeguarded by the CONTRACTOR and shall not be disclosed to any individual or organization without the prior written approval of the STATE.

All media contacts with the CONTRACTOR about the subject matter of this Contract shall be referred to the Agency procurement officer.
26. Ownership Rights and Copyright. The STATE shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract, and all such material shall be considered "works made for hire." All such material shall be delivered to the STATE upon expiration or termination of this Contract. The STATE, in its sole discretion, shall have the exclusive right to copyright any product, concept, or material developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract.
27. Liens and Warranties. Goods provided under this Contract shall be provided free of all liens and provided together with all applicable warranties, or with the warranties described in the Contract documents, whichever are greater.
28. Audit of Books and Records of the CONTRACTOR. The STATE may, at reasonable times and places, audit the books and records of the CONTRACTOR, prospective contractor, subcontractor, or prospective subcontractor which are related to:

- a. The cost or pricing data, and
- b. A state contract, including subcontracts, other than a firm fixed-price contract.

29. Cost or Pricing Data. Cost or pricing data must be submitted to the Agency procurement officer and timely certified as accurate for contracts over \$100,000 unless the contract is for a multiple-term or as otherwise specified by the Agency procurement officer. Unless otherwise required by the Agency procurement officer, cost or pricing data submission is not required for contracts awarded pursuant to competitive sealed bid procedures.

If certified cost or pricing data are subsequently found to have been inaccurate, incomplete, or noncurrent as of the date stated in the certificate, the STATE is entitled to an adjustment of the contract price, including profit or fee, to exclude any significant sum by which the price, including profit or fee, was increased because of the defective data. It is presumed that overstated cost or pricing data increased the contract price in the amount of the defect plus related overhead and profit or fee. Therefore, unless there is a clear indication that the defective data was not used or relied upon, the price will be reduced in such amount.

30. Audit of Cost or Pricing Data. When cost or pricing principles are applicable, the STATE may require an audit of cost or pricing data.

31. Records Retention.

(1) Upon any termination of this Contract or as otherwise required by applicable law, CONTRACTOR shall, pursuant to chapter 487R, HRS, destroy all copies (paper or electronic form) of personal information received from the STATE.

The personal information shall continue to be confidential and shall only be disclosed as permitted or required by law. After the three (3) year, or longer retention period as required by law has ended, the files, books, and records that contain personal information shall be destroyed pursuant to chapter 487R, HRS or returned to the STATE at the request of the STATE.

32. Antitrust Claims. The STATE and the CONTRACTOR recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the purchaser. Therefore, the CONTRACTOR hereby assigns to STATE any and all claims for overcharges as to goods and materials purchased in connection with this Contract, except as to overcharges which result from violations commencing after the price is established under this Contract and which are not passed on to the STATE under an escalation clause.

33. Patented Articles. The CONTRACTOR shall defend, indemnify, and hold harmless the STATE, and its officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys fees, and all claims, suits, and demands arising out of or resulting from any claims, demands, or actions by the patent holder for infringement or other improper or unauthorized use of any patented article, patented process, or patented appliance in connection with this Contract. The CONTRACTOR shall be solely responsible for correcting or curing to the satisfaction of the STATE any such infringement or improper or unauthorized use, including, without limitation: (a) furnishing at no cost to the STATE a substitute article, process, or appliance acceptable to the STATE, (b) paying royalties or other required payments to the patent holder, (c) obtaining proper authorizations or releases from the patent holder, and (d) furnishing such security to or making such arrangements with the patent holder as may be necessary to correct or cure any such infringement or improper or unauthorized use.

This Contract sets forth all of the agreements, conditions, understandings, promises, warranties, and representations between the STATE and the CONTRACTOR relative to this Contract. This Contract supersedes all prior agreements, conditions, understandings, promises, warranties, and representations, which shall have no further force or effect. There are no agreements, conditions, understandings, promises, warranties, or representations, oral or written, express or implied, between the STATE and the CONTRACTOR other than as set forth or as referred to herein.
38. Severability. In the event that any provision of this Contract is declared invalid or unenforceable by a court, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining terms of this Contract.
39. Waiver. The failure of the STATE to insist upon the strict compliance with any term, provision, or condition of this Contract shall not constitute or be deemed to constitute a waiver or relinquishment of the STATE'S right to enforce the same in accordance with this Contract. The fact that the STATE specifically refers to one provision of the procurement rules or one section of the Hawaii Revised Statutes, and does not include other provisions or statutory sections in this Contract shall not constitute a waiver or relinquishment of the STATE'S rights or the CONTRACTOR'S obligations under the procurement rules or statutes.
40. Pollution Control. If during the performance of this Contract, the CONTRACTOR encounters a "release" or a "threatened release" of a reportable quantity of a "hazardous substance," "pollutant," or "contaminant" as those terms are defined in section 128D-1, HRS, the CONTRACTOR shall immediately notify the STATE and all other appropriate state, county, or federal agencies as required by law. The Contractor shall take all necessary actions, including stopping work, to avoid causing, contributing to, or making worse a release of a hazardous substance, pollutant, or contaminant, and shall promptly obey any orders the Environmental Protection Agency or the state Department of Health issues in response to the release. In the event there is an ensuing cease-work period, and the STATE determines that this Contract requires an adjustment of the time for performance, the Contract shall be modified in writing accordingly.
41. Campaign Contributions. The CONTRACTOR is hereby notified of the applicability of 11-205.5, HRS, which states that campaign contributions are prohibited from specified state or county government contractors during the terms of their contracts if the contractors are paid with funds appropriated by a legislative body.
